<b>Description</b>	<b>Balance 7/1/10</b>	<b>Advanced</b>	<b>Recovered</b>	<b>Balance 12/31/10</b>
Florida Workers Compensation	34,300,000.00	0.00	0.00	34,300,000.00

**Florida Department of Financial Services, Division of Rehabilitation  
and Liquidation**  
**Florida Workers Compensation Fund in Liquidation**  
**Notes to Financial Statements**  
**Dated December 31, 2010**

1. **Estate Information.** Florida Workers Compensation Fund was a worker compensation self-insurance fund domiciled in Florida and placed in liquidation on May 13, 1999.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on the liquidation basis of accounting using a fiscal year of July 1, 2010 through June 30, 2011. The assets are stated at their estimated realizable values, while the liabilities are stated at their ultimate (gross filed) amounts and are periodically adjusted as evaluated, adjudicated and/or paid. In addition, the statements do not provide accruals for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Statement Format Changes.** On July 1, 2001, the Receiver converted accounting systems, which resulted in the historical accounting data being presented differently in this set of financial statements than the previously prepared statements for this estate. Because the new system uses a more detailed chart-of-accounts and summarizes data into categories different than previously used, the 'Since Date of Liquidation' column of historical data on the 'Statement of Cash Receipts and Disbursements' may not correspond directly to previous statement presentations. Users of this "Liquidation to-date" information should solicit additional information from the Receiver before making assumptions about the data.
5. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: the Receiver's operating account held at the Bank of America and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".
6. **Reinsurance.** Reinsurance receivables have resulted from losses that have been paid and billed to the reinsurer(s). The financial statements reflect the gross amount of the billed losses less an allowance for any receivable(s) currently considered to be uncollectible. The receivable amount may include paid losses that are ceded to one or more reinsurance contracts being collected on behalf of the Receiver by an intermediary.
7. **Advance to Guaranty Association(s).** Represents funds advanced to guaranty associations for the payment of covered claims and expenses. The guaranty association is obligated to promptly return any or all of these funds if the Receiver determines that repayment of claims of equal or superior priority is necessary.
8. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, unadjudicated, and have not been reduced by any early access payments from the Florida Receiver. Claims liability numbers are based upon information and documentation provided to the Receiver as of September 30, 2010.
  - The LPT agreement between AIG & the Florida Workers Compensation Insurance Guaranty Association (FWCIGA) was negated, thus the estimated reinsurance exposure at the attachment point is no longer valid. FWCIGA became responsible for all loss claim payments.
  - Class 1 and Class 2 Claims were the only claims evaluated. All other classes of claims were reported as gross filed.
  - The 1<sup>st</sup> Interim Claims Report was filed with the court on January 24, 2008.
  - The March 16, 2008 was the objection deadline. No objections were filed. All claims activity has been completed.
  - The distribution of assets to claimants is pending.

and Liquidation**

**Notes to Financial Statements**  
**Dated December 31, 2010**

9. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
10. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
