Florida Department of Financial Services, Division of Rehabilitation and Liquidation

Sunstar Health Plan, Inc. in Liquidation Notes to Financial Statements

Dated June 30, 2009

1. **Estate Information.** Sunstar Health Plan, Inc. was a health maintenance organization domiciled in Florida and placed in liquidation on February 1, 2000.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on the liquidation basis of accounting using a fiscal year of July 1, 2008 through June 30, 2009. The assets are stated at their estimated realizable values, while the liabilities are stated at their ultimate (gross filed) amounts and are periodically adjusted as evaluated, adjudicated and/or paid. In addition, the statements do not provide accruals for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Statement Format Changes.** On July 1, 2001, the Receiver converted accounting systems, which resulted in the historical accounting data being presented differently in this set of financial statements than the previously prepared statements for this estate. Because the new system uses a more detailed chart-of-accounts and summarizes data into categories different than previously used, the 'Since Date of Liquidation' column of historical data on the 'Statement of Cash Receipts and Disbursements' may not correspond directly to previous statement presentations. Users of this "Liquidation to-date" information should solicit additional information from the Receiver before making assumptions about the data.
5. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: the Receiver's operating account held at the Bank of America and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".
6. **Cash - Restricted.** Cash, which is restricted in accordance with Florida statute, by court order, by loan or security agreement, by escrow agreement, or by any other legal means is generally unavailable for administrative expenses and is presented on the Statement of Affairs as "Cash-Restricted". The restricted cash for this estate consists of premium received after liquidation that is subject to resolution with the HMOCAP.
7. **Secured Claims.** The secured claims represent premium received after liquidation. A resolution to the treatment of this premium is being worked out with the HMOCAP.
8. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, unadjudicated, and have not been reduced by any early access payments from the Florida Receiver. Claims liability numbers are based upon information and documentation provided to the Receiver as of March 31, 2009.
 - HMOCAP claims filed as of 01/30/01 have been prioritized pursuant to the court order entered on 11/07/03.
 - The 1st Interim Claims Report was filed with the court on July 21, 2004.
 - The 3rd Interim Claims Report was filed with the court on July 19, 2007.
 - A distribution in the amount of \$2,259,529.42 was authorized by the court on February 7, 2008. Of this amount, \$20,300.85 in checks have been voided due to incorrect addresses.
 - 100% was authorized for Class 1 Administrative Claims in the amount of \$1,973,221.14.
 - 100% was authorized for Class 2 Claims in the amount of \$181,763.64.
 - 100% was authorized for Class 3 Unearned Premium Claims in the amount of \$104,544.64.
9. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
10. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
