IN THE CIRCUIT COURT OF THE
SECOND JUDICIAL CIRCUIT, IN
AND FOR LEON COUNTY, FLORIDA

IN RE: The Receivership of
QUEENSWAY CASUALTY INSURANCE
COMPANY, a Florida corporation.

CASE NO.: 01-0153

09 AUG - 7 PM
CLERK OF COURT
LEON COUNTY, FL

FILED

**RECEIVER'S MOTION FOR APPROVAL OF FINAL CLAIMS REPORT-PART 1,
CLAIMS DISTRIBUTION REPORT, DISTRIBUTION ACCOUNTING AND FOR
ORDER AUTHORIZING DISTRIBUTION**

The Florida Department of Financial Services, as Receiver of Queensway Casualty Insurance Company (hereinafter "Receiver"), hereby files its Final Claims Report-Part 1, Claims Distribution Report and Distribution Accounting and moves this court for an Order approving the Final Claims Report-Part 1, Claims Distribution Report and Distribution Accounting and authorizing distribution in accordance with the Distribution Accounting. In support of its Motion, the Receiver says:

1. Queensway Casualty Insurance Company (hereinafter "Queensway"), was a Florida corporation previously authorized to transact insurance business in the State of Florida. On January 18, 2001, this Court entered its *Order Appointing the Florida Department of Insurance as Receiver for Purposes of Liquidation, Injunction, and Notice of Automatic Stay*. On January 7, 2003, the Florida Department of Insurance became a part of the Florida Department of Financial Services.

2. This Court has jurisdiction over the Queensway Receivership and is "authorized to make all necessary or proper orders to carry out the purposes of" the Florida Insurers Rehabilitation and Liquidation Act. Section 631.021(1), Florida Statutes.

3. The Receiver's Final Claims Report-Part 1 (in electronic form as a compact disc) marked as Composite Exhibit "A," is attached hereto and by reference made a part hereof. This report reflects the classification of all filed claims in Classes 1, 2, and 4-10 by priority in accordance with Section 631.271, Florida Statutes. This report also incorporates the resolution of all timely filed objections and claimant information updates on Class 1 and Class 2 claims. The Receiver will incorporate future claimant information updates that result from the distribution process into the Receiver's database.

4. Previously, the Receiver did not anticipate that available assets of the receivership would allow for a distribution beyond the evaluated Class 1 and Class 2 claims. The Receiver now finds that sufficient funds exist to evaluate and make a distribution to Class 3 claimants. In the near future the Receiver will file the Final Claims Report-Part 2 covering all Class 3 claims.

5. The Final Claims Report-Part 1 (the Report) is broken down into two sections. Part A of the Report consists of claims of non-guaranty association claimants and Part B consists of all claims of guaranty association claimants. For the Court's convenience, paper copies of the summary totals from each section of the Final Claims Report-Part 1 are attached as Composite Exhibit "B."

6. Part A of the Report contains 321 filed claims by non-guaranty association claimants for a total amount claimed of \$14,704,057.80. The total amount recommended by the Receiver is \$195,042.30.

7. Part B of the Report contains four filed claims by a guaranty association claimant for a total amount claimed of \$7,535,789.91. The total amount recommended by the Receiver for the payment of guaranty association claims is \$7,535,789.91. The guaranty association identified within the report is the Florida Insurance Guaranty Association ("FIGA").

8. This court has previously ordered the Receiver to make “early access” distributions from this estate to FIGA in the total amount of \$3,071,048.18.

9. With the approval of the Receiver's Final Claims Report-Part 1, the Receiver is now in the position to make another distribution of receivership assets. Said assets will be distributed to claimants in classes 1-2 in accordance with the Claims Distribution Report dated July 23, 2009, which is attached hereto (in electronic form as a compact disc) as Composite Exhibit “A.” For the Court’s convenience, a paper copy of the summary totals from the Claims Distribution Report is attached as Exhibit “C”. The Claims Distribution Report lists the 152 claims where an approved amount has been recommended for distribution at this time and is in accordance with Section 631.271, Florida Statutes.

10. Based upon the Claim Distribution Listing, which is attached hereto as Exhibit “D,” the Receiver is prepared to make a distribution of \$4,659,784.03 to all claimants in classes 1-2. Together with the “early access” distributions to FIGA, which are also reflected in the Claim Distribution Listing, the total distribution of \$7,730,832.21 represents a pro-rata distribution of 100% of the recommended claim amount of \$1,732,298.00 for Class 1 claims and a distribution of 100% of the recommended claim amount of \$5,998,534.21 for Class 2 claims.

11. The Receiver recommends that the Final Claims Report-Part 1, Claims Distribution Report and Distribution Accounting be approved.

12. Despite the Receiver’s best efforts, some approved claims may have inadequate current address information, and/or may have not provided the Receiver with a form W-9, required by the Internal Revenue Service. The Receiver asks for authority to remit the funds due these claimants to the Unclaimed Property Bureau of the Department of Financial Services.

WHEREFORE, the Receiver respectfully requests this Court grant its Motion and enter an Order approving the Final Filed Claims Report-Part 1, Claims Distribution Report and Claims Distribution Accounting, directing the Receiver to make the above referenced distribution to claimants in this receivership.

DATED this 7th day of August, 2009.
