**Florida Department of Financial Services, Division of Rehabilitation
and Liquidation**
MD Medicare Choice, Inc. in Liquidation
Notes to Financial Statements
Dated December 31, 2010

1. **Estate Information.** MD Medicare Choice, Inc. was a health maintenance organization domiciled in Florida and placed in liquidation on September 30, 2008.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on the liquidation basis of accounting using a fiscal year of July 1, 2010 through June 30, 2011. The assets are stated at their estimated realizable values, while the liabilities are stated at their ultimate (gross filed) amounts and are periodically adjusted as evaluated, adjudicated and/or paid. In addition, the statements do not provide accruals for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: the Receiver's operating account held at the Bank of America and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due to/from the Admin Fund".
5. **Cash – Restricted.** Cash, which is restricted in accordance with Florida statute, by court order, by loan or security agreement, by escrow agreement, or by any other legal means is generally unavailable for administrative expenses. The cash in this account represents funds received by Florida Bank as part of ongoing distributions by the Reserve Fund but not yet released to the Receiver by the bank. These funds are subject to ongoing negotiations between the Receiver and the bank.
6. **Accounts Receivable.** This accounts receivable represents the remaining funds due to MD Medicare's Florida Bank account from the Reserve Fund. It also includes advances to employees made at the time of liquidation that are due back to the estate and for which we have promissory notes.
7. **Allowance – Accounts Receivable.** An estimate of uncollectible or impaired amounts for certain assets. This allowance represents the Reserve Fund balance due to MD Medicare's Florida Bank account.
8. **Other Assets.** This represents an overpayment of employer and employee social security and Medicare taxes in a prior period that may be refunded or applied to future tax liabilities.
9. **Secured Claims.** The secured claims represent a portion of the distributions made by the Reserve Fund to Florida Bank for credit to MD Medicare's account and two certificates of deposit put on hold by Florida Bank. These funds are part of ongoing negotiations between the Receiver and Florida Bank.
10. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, unadjudicated, and has not been reduced by any early access payments from the Florida Receiver. Claims liability numbers are based upon information and documentation provided to the Receiver at September 30, 2010.
 - The estimated claim liability upon entry of the Order of Liquidation was \$98,066,864.00.
 - An un-determined amount of bank over-drafts will be an additional liability exposure to this receivership, possibly as a "secured" claim.
 - Proof of claim forms have been mailed to claimants and the deadline for filing a timely claim has expired. All claims are being reported as gross filed except for one. Class IV claim. It has been evaluated and denied.
11. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
12. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
