

**Interagency Advisory Council on Loss Prevention
2002/03 Safety Awareness Campaign
Presented on November 5, 2003**

Most Creative

WINNER

Description of Entry: "Airboat Operator Safety Course".

This training program was created through a joint effort by Department of Environmental Protection and the University of Florida. Their goal was to develop a course of instruction with a take home manual that would provide guidance related to proper and safe operation of the airboats by University of Florida employees. The class included a written final exam, classroom lectures, field supervision and practical hands on evaluations.

Agency: University of Florida and the Department of Environmental Protection.

Participants: Dave Cantlin, Glenn Ketcham, Lea-An Steiner, Charles Higman, Judy Ludlow, Richard Malloy, Donald Trussell and Scott Campbell.

For further information contact:
Donald Trussell at (850) 245-2312 or
trussell_d@dep.state.fl.us.

Trilly Lester, Shannon Segers, Pam Martin, Glenn Ketcham and Lea-An Steiner.
