

HOME HEALTH REVENUE CODE PROGRAMMING DOCUMENT
April 1, 2009

Home Health bills (bill type (field 10A) equal to 32x, 33x, or 34x DO NOT require a CPT/HCPCS code if the following Revenue Codes are reported:

0250

(The "x" in the bill type above represents a place holder for the frequency code component of the bill type. For valid values of "x", refer to the Official UB-04 Data Specifications Manual.)
