

DATE: June 30, 2006

TO: Agency Addressed (No. 21, 2005-2006)

FROM: Douglas A. Darling, Director
Division of Accounting and Auditing
Department of Financial Services

SUBJECT: MODIFICATIONS, ADDITIONS AND DELETIONS TO THE STATE STANDARD
EXPENDITURE OBJECT CODES

The State Standard Expenditure Object Code instructions have been updated to assist agencies in selecting the appropriate codes. The following changes have been incorporated into the instructions and can be viewed at <http://www.fldfs.com/aadir/Objectcodes.pdf>.

The following expenditure object codes have been **modified/added** effective July 1, 2006:

Repairs and Maintenance

242000 Repairs and Maintenance – Contracted Services
243000 Repairs and Maintenance – Non-Contracted Services

Travel -- In State

261000 Travel – In State – Other
(Includes travel within Florida for which no other object code exists.)
261400 Hotel – In State Travel
261500 Airfare – In State Travel

Travel -- Out of State

262000 Travel – Out of State - Other
(Includes travel outside of Florida but within the United States for which no other object code exists.)
262400 Hotel – Out of State Travel
262500 Airfare – Out of State Travel

Foreign Travel

263000 Foreign Travel – Other
(Includes travel outside the United States for which no other object code exists.)
263100 Per Diem – Foreign Travel
263200 Meals (A & B) – Foreign Travel
263300 Mileage – Foreign Travel
263400 Hotel – Foreign Travel
263500 Airfare – Foreign Travel

The following expenditure object code becomes **inactive** on July 1, 2006:

240000 Repairs and Maintenance (Use either 241000 Repairs and Maintenance-Commodities, 242000 Repairs and Maintenance- Contracted Services, or 243000 Repairs and Maintenance – Non-Contracted Services)

During our review, it was determined that the following expenditure object codes have been active but not included in the instructions.

152200 Public Employees Optional Retirement Plan
498100 State Awards to State Employees-Taxable
498700 Bonus to Employee
