

## Activity Issue

### Purpose

The purpose of this document is to communicate the rules and to provide insight into how the new values for this COA field were arrived at.

### Activity Issue

|                          |   |
|--------------------------|---|
| <b>Field Definition</b>  | The Activity Issue chartfield is used to record costs for statewide activities within an Agency using activity codes. OPB and the Legislature's appropriations committees use the information in their analysis of administrative and support costs; including fixed capital outlay, information technology and "pass throughs" across all agencies. The values are controlled by the enterprise established under a Business Unit specific Set Id and provided by OPB. |
| <b>Field Length</b>      | 7 digits  |
| <b>Data Type</b>         | Character   |
| <b>Format</b>            | All seven positions must be filled. The format of the value will be controlled by OPB.  |
| <b>Uniqueness</b>        | Activity Issues are unique to a Business Unit.  |
| <b>Creation Process</b>  | The values will be converted to Aspire as they exist in LAS/PBS.  |
| <b>Naming Convention</b> | N/A.  |
| <b>Other Information</b> | <ul style="list-style-type: none"><li>• The titles will be loaded from LAS/PBS, there will be a 10 character short title, a 30 character long title and a 150 character description field.</li><li>• New values for this chartfield are requested through LAS/PBS.</li><li>• Activity Issue to Program Component and Budget Entity combinations will be monitored through reporting.</li></ul>  |
| <b>Combination Edits</b> | None  |
| <b>Assumptions</b>       | Activity Issue is not be a required field but agencies are required to report Activity related data (Schedule XI - Unit Cost Summary) in their Legislative Budget Request. Agencies can choose to track Activity Issue in Aspire. Initially, this data will not be sent electronically from Aspire to LAS/PBS, but this is subject to change.   |
| <b>Mapping</b>           | This field is not currently part of the mapping process, but may be subject to change.  |
