Division of Insurance Fraud
Florida Department of Financial Services
200 East Gaines Street
Tallahassee, FL 32399-1600

Dear Director Miller:

I want to extend my personal appreciation to you and your agency for the outstanding support shown to my Department during the aftermath of Hurricane Katrina.

Words are inadequate to express the enormous difference your presence made in our struggle to initially endure, and subsequently begin to recover from this catastrophe. Your officers provided not only manpower, but moral support and encouragement, as well. We did not have to face the devastation left in Katrina's wake alone; the dedicated officers of the State of Florida were at our side.

Needless to say, should anyone in your jurisdiction need assistance for any reason, the Jackson County Sheriff's Department will be on its way.

Again, all of us here will never forget your coming to our aid. Thank you, and God bless.

Sincerely,

Mike Byrd
Sheriff of Jackson County
