200 East Gaines St.  
Tallahassee, FL 32399-0361

Dear Mr. Shropshire,

On Friday, October 30<sup>th</sup>, the Florida Funeral Directors Association (FFDA) board of directors unanimously voted to support the proposed amendment to Rule 69K-5.0024 (3) which is on the November 4<sup>th</sup> FCCS Rules Committee agenda to be discussed. The Florida Funeral Directors Association is in favor of allowing Regulatory Trust Fund fees to be separately identified and charged on preneed contracts.

We encourage you to let us know if you have any questions regarding FFDA's position on this matter.

Sincerely,

John Williams  
President
