**Florida Department of Financial Services, Division of Rehabilitation and
Liquidation
Southeastern Casualty and Reinsurance in Liquidation
Notes to Financial Statements**

Dated June 30, 2011

1. **Estate Information.** Southeastern Casualty & Indemnity Insurance Co. and Southeastern Reinsurance Co. were property and casualty companies domiciled in Florida and placed in liquidation on September 1, 1989. The companies were consolidated by court order dated May 26, 1998.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on the liquidation basis of accounting using a fiscal year of July 1, 2010 through June 30, 2011. The assets are stated at their estimated realizable values, while the liabilities are stated at their ultimate (gross filed) amounts and are periodically adjusted as evaluated, adjudicated and/or paid. In addition, the statements do not provide accruals for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Statement Format Changes.** On July 1, 2001, the Receiver converted accounting systems, which resulted in the historical accounting data being presented differently in this set of financial statements than the previously prepared statements for this estate. Because the new system uses a more detailed chart-of-accounts and summarizes data into categories different than previously used, the 'Since Date of Liquidation' column of historical data on the 'Statement of Cash Receipts and Disbursements' may not correspond directly to previous statement presentations. Users of this "Liquidation to-date" information should solicit additional information from the Receiver before making assumptions about the data.
5. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: the Receiver's operating account held at the Bank of America and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".
6. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise noted, claim liability numbers reported are adjudicated. Claim liability numbers are based upon information and documentation provided to the Receiver as of March 31, 2011.
 - The claims liabilities reported have been reduced by payment and discharge of the secured claims.
 - All objections have been resolved.
 - The court authorized Part I, Claims First Distribution in the amount of \$6,335,625.36 on January 7, 2004. All distribution checks have not been issued due to W-9 tax issues and/or improper addresses.
 - 100% was authorized for Class 1 claimants in the amount of \$28,810.55.
 - 88.7135% was authorized for Class 2 claimants in the amount of \$6,306,814.81.
 - The court authorized Part II, Claims Second Distribution in the amount of \$1,136,453.13 on October 4, 2004. All distribution checks have not been issued due to W-9 tax issues or improper addresses.
 - 100% was authorized for the remaining Class 2 claimants in the amount of \$1,121,573.27.
 - 100% was authorized for Class 3 claimants in the amount of \$14,879.86.
 - Un-cashed claim distributions checks have been transferred to abandoned property.
7. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
8. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
