**Florida Department of Financial Services, Division of Rehabilitation
and Liquidation**
Ultramedix Health Care Systems in Liquidation
Notes to Financial Statements

Dated December 31, 2010

1. **Estate Information.** Ultramedix Health Care Systems was a health maintenance organization domiciled in Florida and placed in liquidation on March 3, 1998.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on the liquidation basis of accounting using a fiscal year of July 1, 2010 through June 30, 2011. The assets are stated at their estimated realizable values, while the liabilities are stated at their ultimate (gross filed) amounts and are periodically adjusted as evaluated, adjudicated and/or paid. In addition, the statements do not provide accruals for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Statement Format Changes.** On July 1, 2001, the Receiver converted accounting systems, which resulted in the historical accounting data being presented differently in this set of financial statements than the previously prepared statements for this estate. Because the new system uses a more detailed chart-of-accounts and summarizes data into categories different than previously used, the 'Since Date of Liquidation' column of historical data on the 'Statement of Cash Receipts and Disbursements' may not correspond directly to previous statement presentations. Users of this "Liquidation to-date" information should solicit additional information from the Receiver before making assumptions about the data.
5. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: the Receiver's operating account held at the Bank of America and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".
6. **Cash - Restricted.** Cash, which is restricted in accordance with Florida statute, by court order, by loan or security agreement, by escrow agreement, or by any other legal means is generally unavailable for administrative expenses and is presented on the Statement of Affairs as "Cash-Restricted". The restricted cash for this estate consists of funds from an insolvency account the Receiver is holding for the Agency for Health Care Administration plus accrued interest.
7. **Secured Claims.** The secured claims represent an insolvency account held for the Agency for Health Care Administration (AHCA) and is part of an agreement the Receiver has with AHCA for the Receiver to segregate the funds and to be the trustee for these funds.
8. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, unadjudicated, and have not been reduced by any early access payments from the Florida Receiver. Claims liability numbers are based upon information and documentation provided to the Receiver as of September 30, 2010.
 - The claim submitted by the HMOCAP has been prioritized pursuant to the court order entered on 11/07/03.
 - The claims liabilities reported have not been reduced by the amount of any secured claims.
 - A claims evaluation plan has been submitted and approved. All filed claims have been evaluated and the First Interim Claims Report was filed with the courts on November 22, 2010.
 - Forty five days was granted to each claimant to file their objection if they disagreed with the receiver's recommendation. No objections have been filed thus far.
9. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
10. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
