**Notes to Financial Statements**  
**Dated March 31, 2011**

1. **Estate Information.** Queensway Casualty Insurance Co. was a property and casualty company domiciled in Florida and placed in liquidation on January 18, 2001.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on the liquidation basis of accounting using a fiscal year of July 1, 2010 through June 30, 2011. The assets are stated at their estimated realizable values, while the liabilities are stated at their ultimate (gross filed) amounts and are periodically adjusted as evaluated, adjudicated and/or paid. In addition, the statements do not provide accruals for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Statement Format Changes.** On July 1, 2001, the Receiver converted accounting systems, which resulted in the historical accounting data being presented differently in this set of financial statements than the previously prepared statements for this estate. Because the new system uses a more detailed chart-of-accounts and summarizes data into categories different than previously used, the 'Since Date of Liquidation' column of historical data on the 'Statement of Cash Receipts and Disbursements' may not correspond directly to previous statement presentations. Users of this "Liquidation to-date" information should solicit additional information from the Receiver before making assumptions about the data.
5. **Cash – Distribution Account.** Represents interest earned on the distribution account.
6. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: the Receiver's operating account held at the Bank of America and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".
7. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, unadjudicated, and have not been reduced by any early access payments from the Florida Receiver. Claims liability numbers are based upon information and documentation provided to the Receiver as of December 31, 2010.
  - The 1<sup>st</sup> Interim Claims Report was filed with the court on June 11, 2008.
  - Class I and class II claims are the only classes of claims evaluated. All other claims are being reported as gross filed.
  - The objection deadline was July 31, 2008.
  - Two objections were filed and they have been resolved.
  - A 100% distribution to Class I and Class II claimants was authorized by the courts on August 07, 2009. \$7,689,744.22 was dispersed to claimants and \$42,487.99 was suspended either due to incorrect address or a pending W-9 issue.
  - Additional assets were recovered by the receiver; therefore it became necessary to evaluate the class III return premium claims. The evaluation process has been completed and the 2<sup>nd</sup> interim claims report has been approved by Estate Management.
  - The Second Interim Claims Report was filed with the courts on April 5, 2010. The deadline for claimants to object to the receiver's recommendation is June 30, 2010. Five objections were filed and all of them have been resolved.

**Florida Department of Financial Services, Division of Rehabilitation  
and Liquidation  
Queensway Casualty Insurance Co. in Liquidation  
Notes to Financial Statements**

**Dated March 31, 2011**

- An order was entered approving the Final Claims Report-Part II and Distribution Report for Class III claimants on December 13, 2010. A 27.9011% distribution in the amount \$377,375.24 was approved; \$367,277.19 for FIGA and \$10,098.05 for the other claimants. \$127.89 was suspended because of no better address.
8. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
9. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
