If fire strikes
get out
and stay
out

Call emergency for help after you are out of the house.

Fire Safety Tips

interactive games and fun at www.MyFloridaCFO.com/SFM

Crawl low
under smoke
to get out

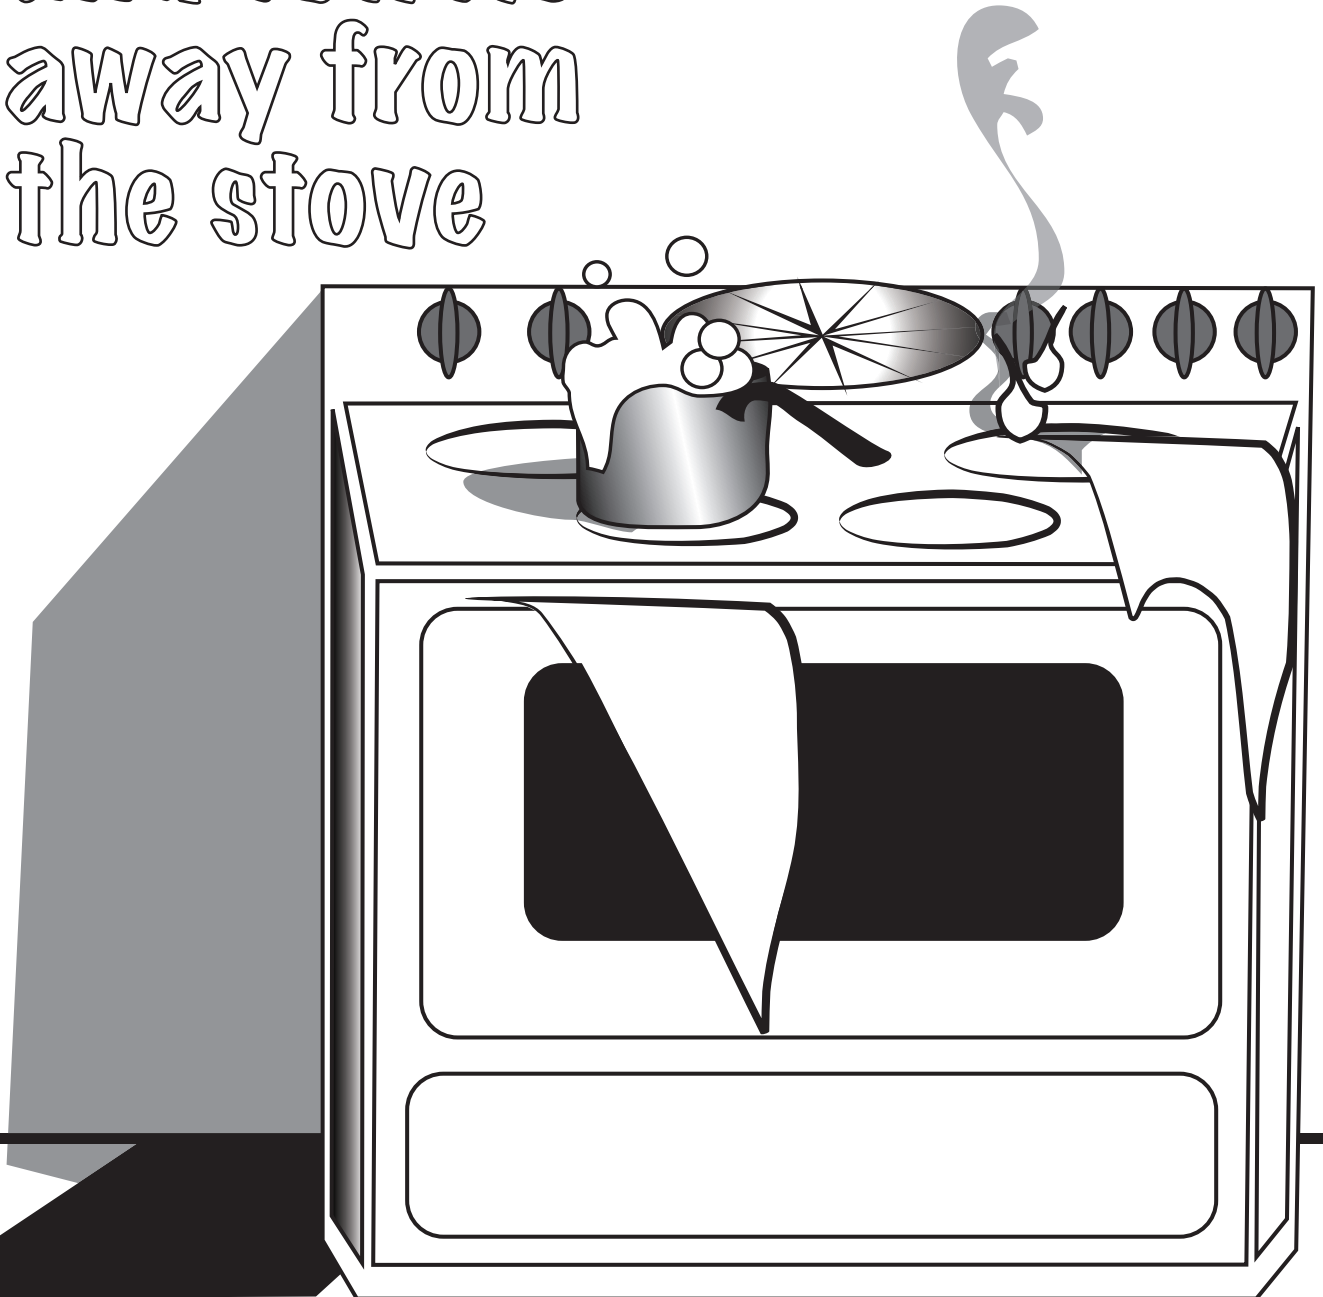

**Touch a closed door with the back of your hand.
Don't open if hot. Find another way out.**

Fire Safety Tips

Keep paper
and towels
away from
the stove

Stay away from hot pots and pans.

If your
clothes catch fire,
Stop, Drop & Roll

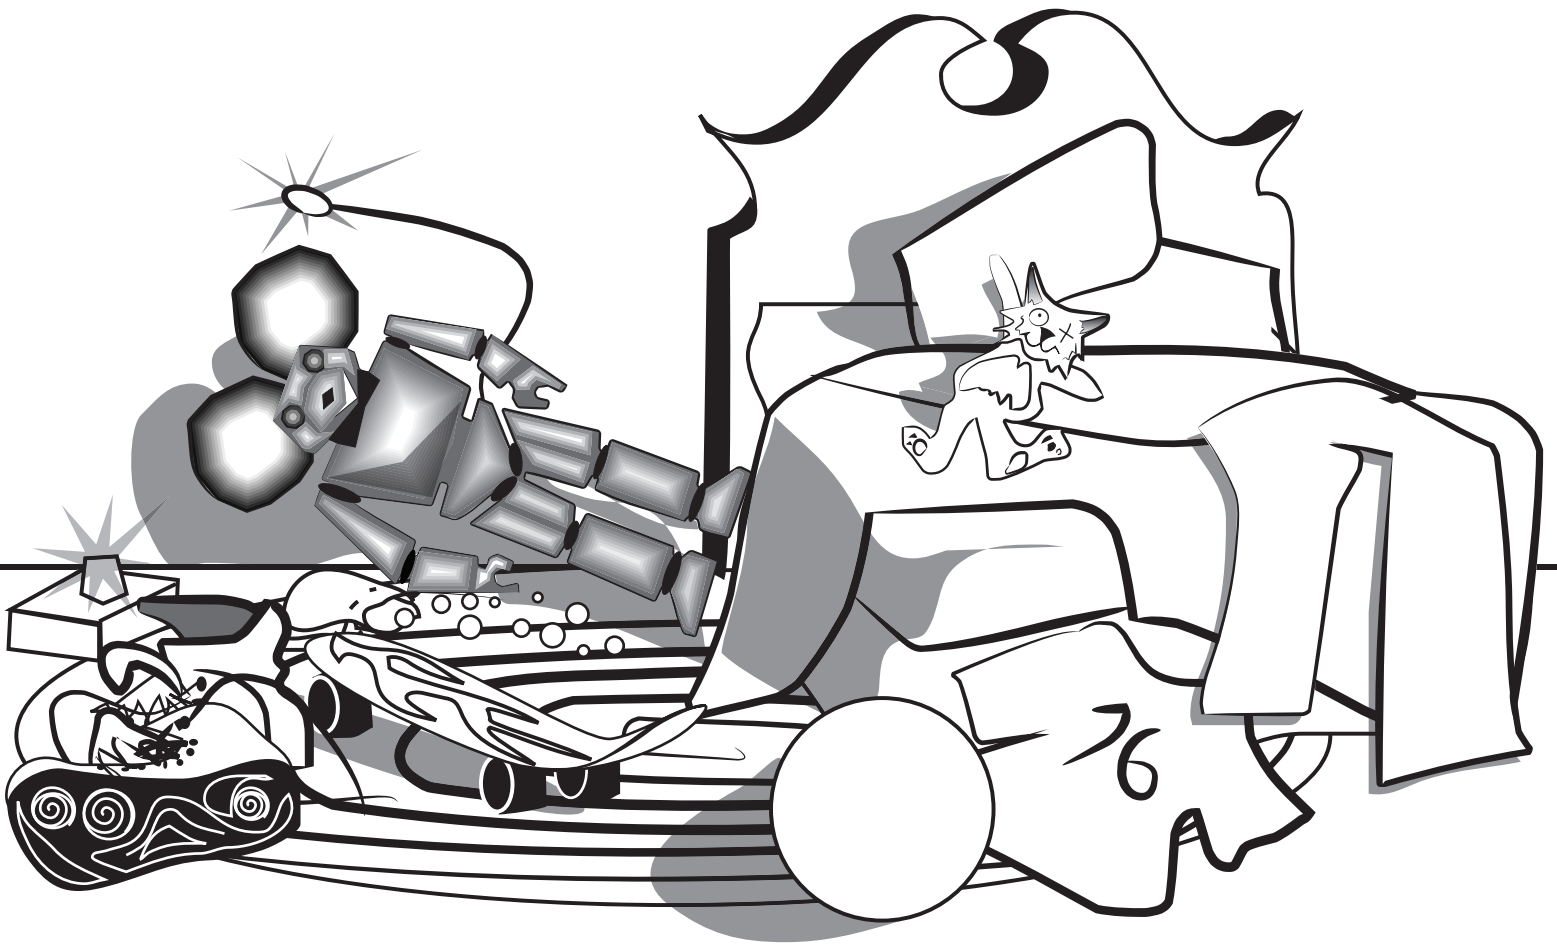

Practice dropping to the floor and roll, roll, roll!

Fire Safety Tips

Clean
up your
room!

Make sure toys don't block your path.

Fire Safety Tips

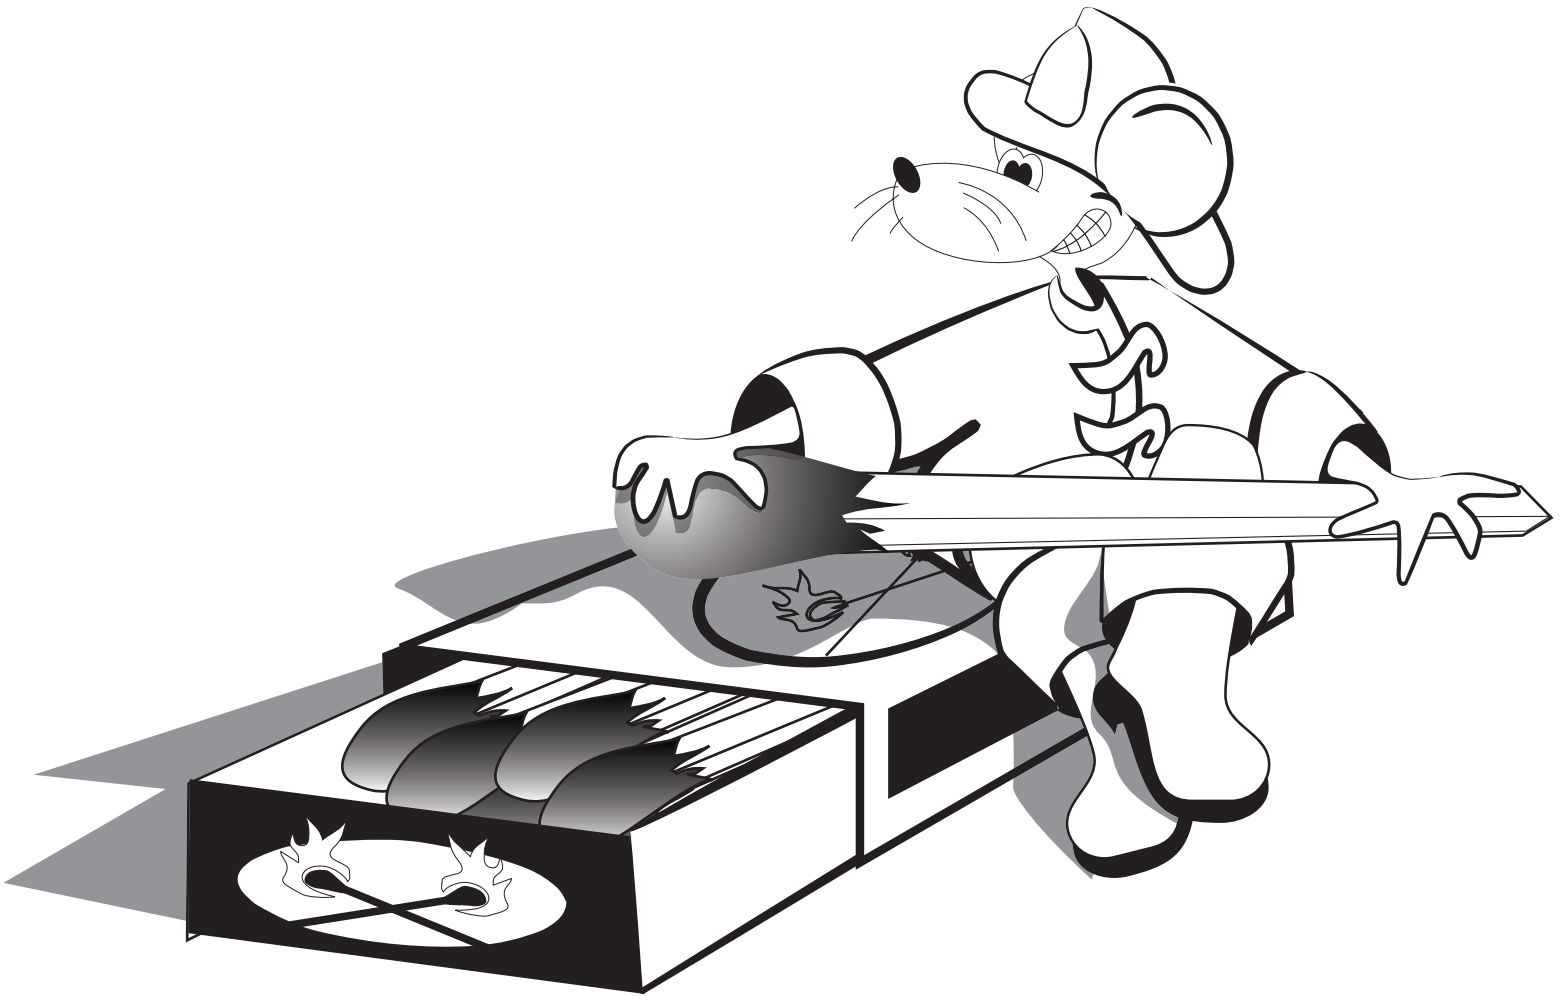

interactive games and fun at www.MyFloridaCFO.com/SFM

Do not
use worn
or broken
electrical
cords

**Check out all
cords before
decorating.**

Never play with matches

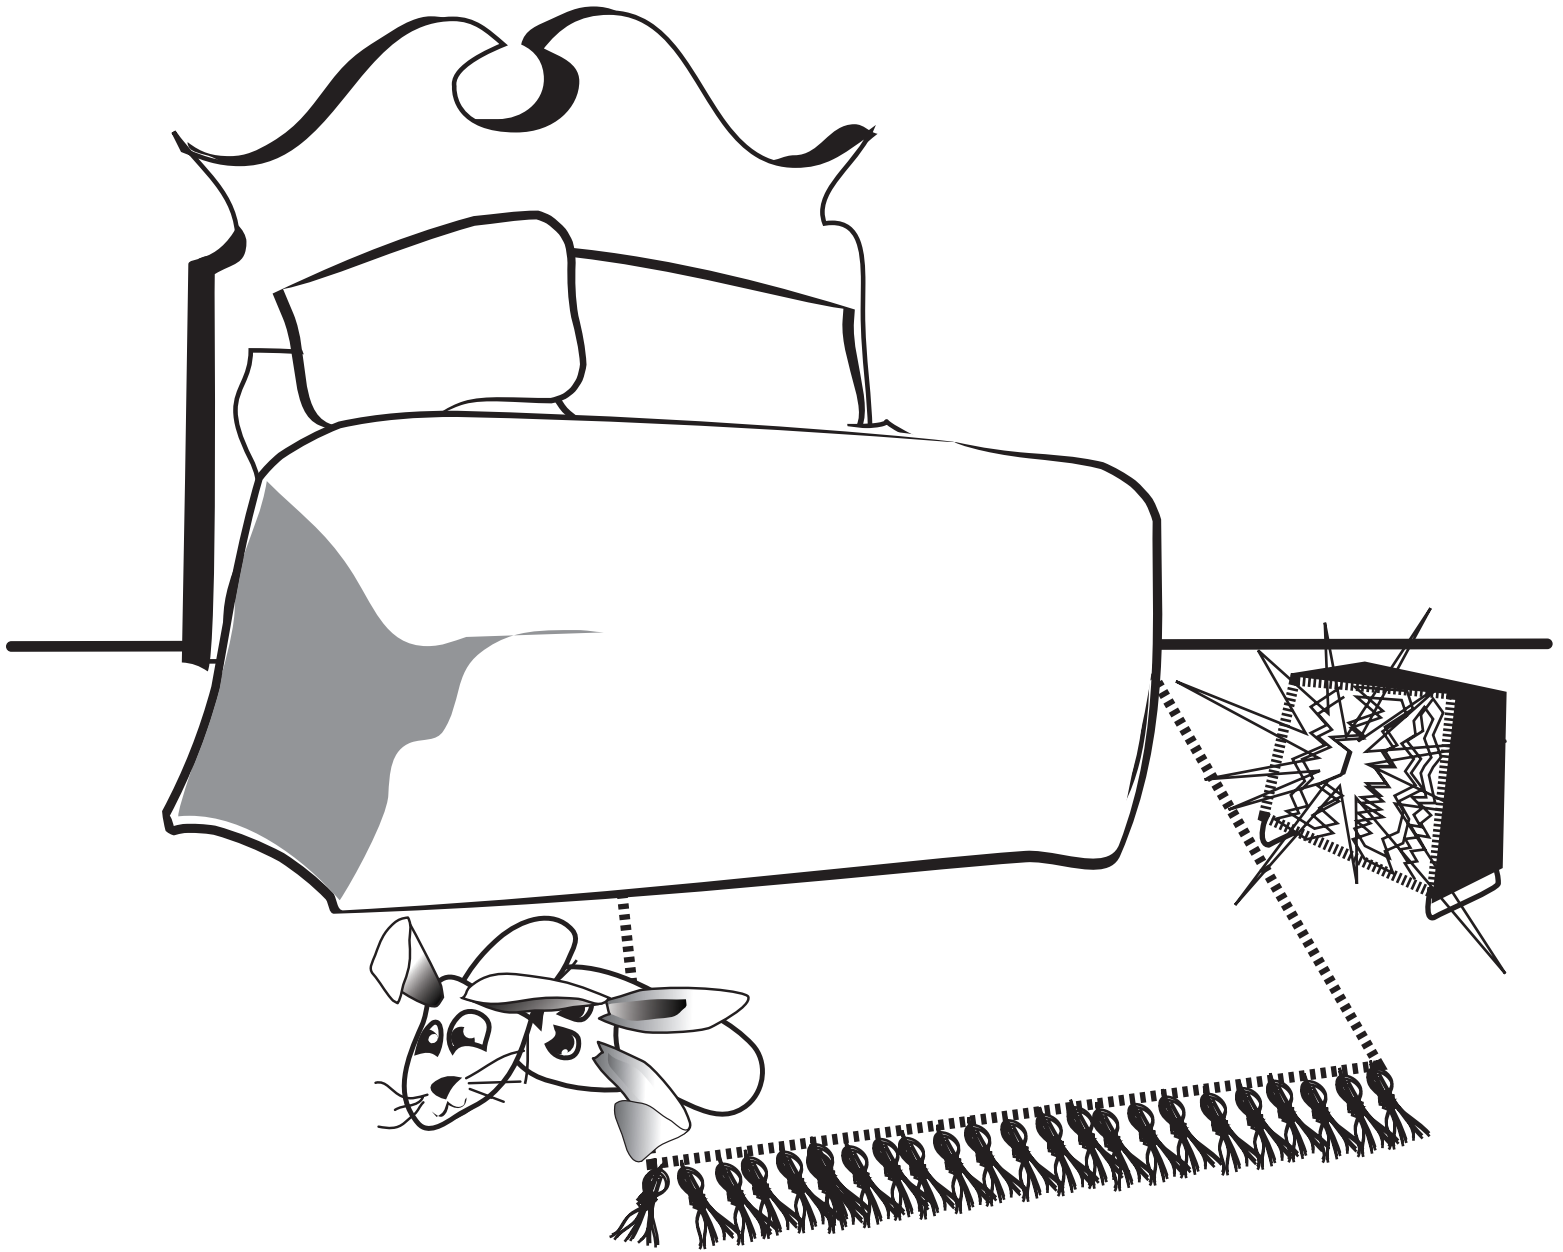

Tell a grownup if you see matches or a lighter.

Sparklers are
okay with
an adult

Celebrate the Fourth of July safely.

Keep heaters away from beds and blankets

Portable heaters should be at least 3 feet away (or as far as possible) from other objects. Turn the heaters off when you leave the room.

Fire Safety Tips

Make a family fire escape plan

Know where to meet your family outside the house. Choose a spot that is easy to remember like your mailbox. Practice your plan with your family.

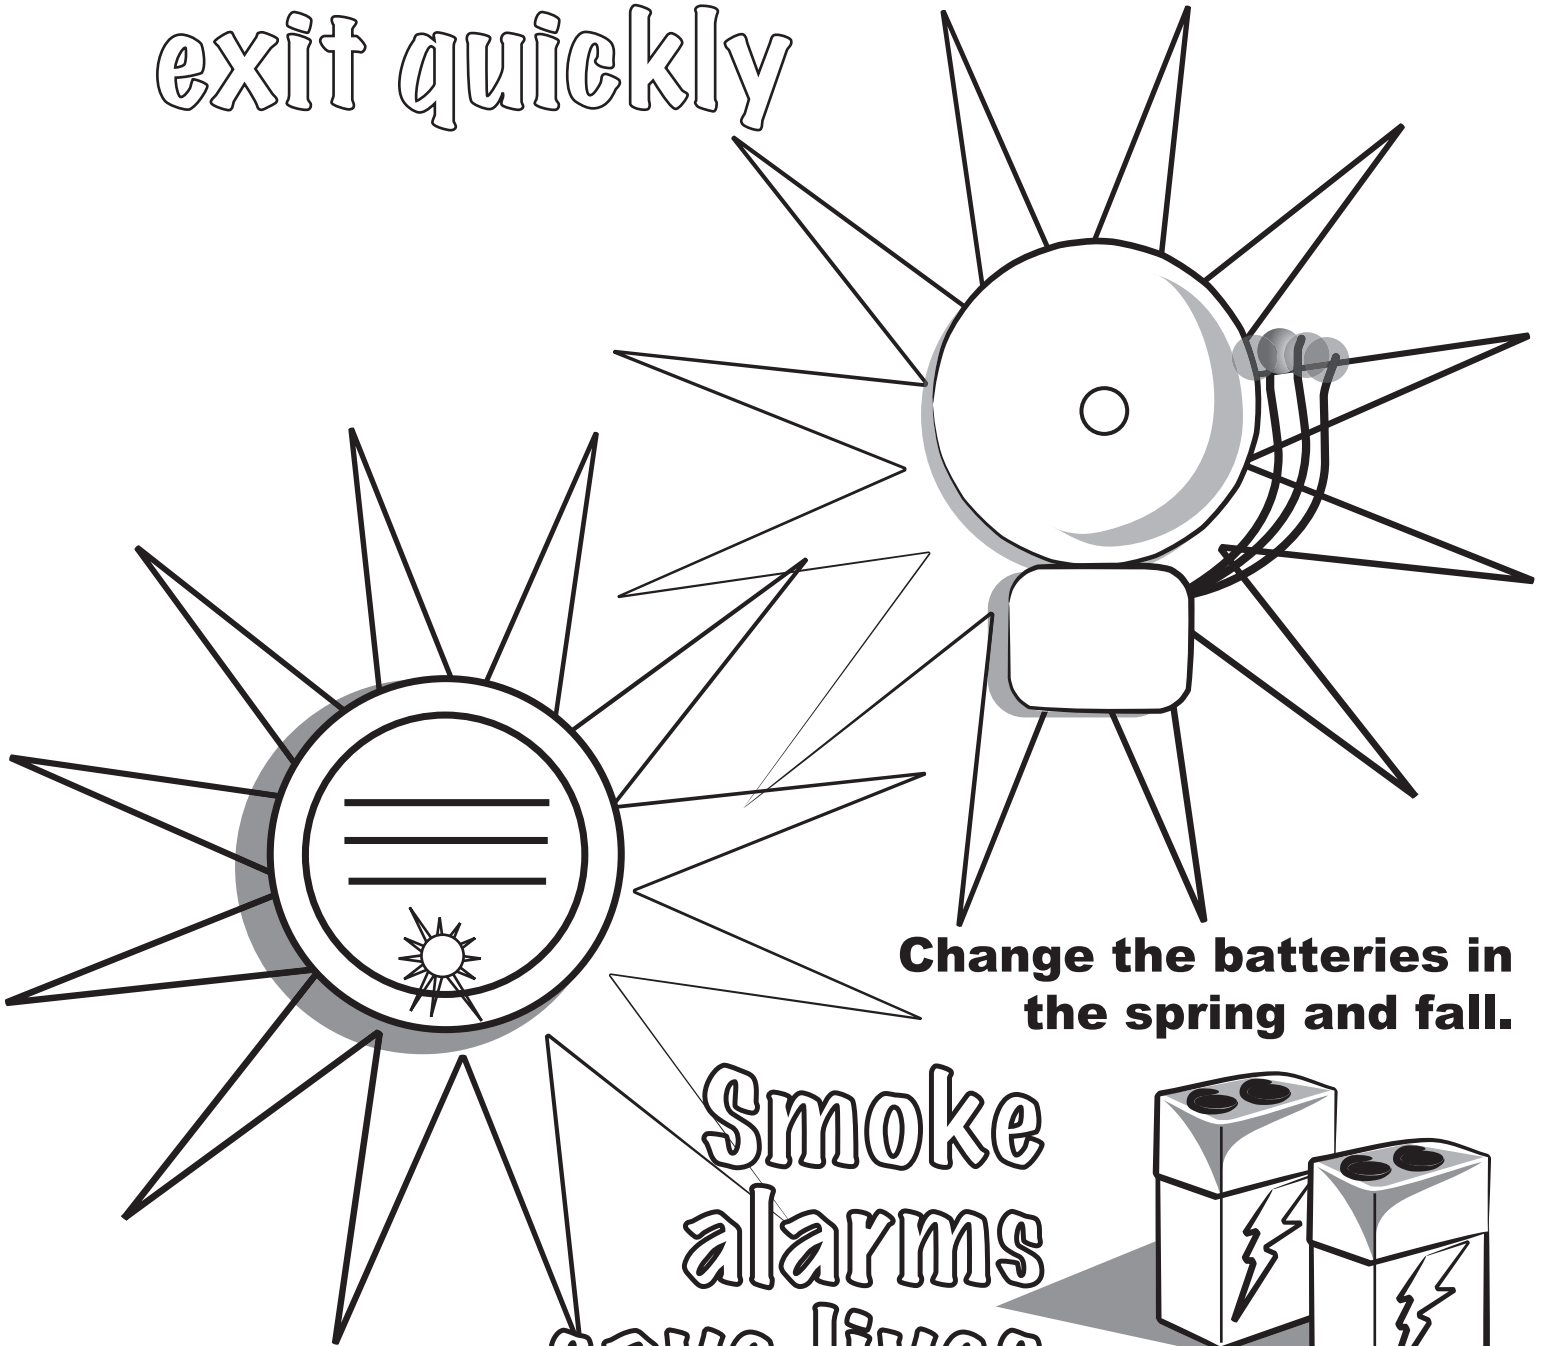

Fire Safety Tips

If you hear
a fire alarm,
exit quickly

**When you hear an
alarm at school, follow
your teacher's
directions.**

**Change the batteries in
the spring and fall.**

Smoke
alarms
save lives

Test the alarms regularly.
