

# FAMILY FOUNDATIONS

BUILDING A STRONG FINANCIAL FUTURE

## Banking Tips

### When Opening an Account

- Review & compare all account options.
- Ask questions about the variety of services the bank offers & how they are used.
- Pick the right account to meet your needs by:
  - Determining how you plan to use the account.
  - Keeping in mind how often you will withdraw money.
  - Deciding how much money you will keep in the account.
  - Choosing how long you will keep your money in the account.

### How Banks Can Benefit You

- Safe, convenient & secure way to save & access your money
- Variety of products including:
  - **Checking account** - used to pay bills & make daily purchases
  - **Savings account**- safe place to keep money for future goals & unexpected expenses
  - **Loan** - convenient & secure way to borrow funds for a large purchase
- Services available like check cashing, direct deposit & easy access to funds through Automated Teller Machines (ATMs).
