Fingerprinting is a mandatory requirement for almost all of the licenses we issue. You must be fingerprinted through our fingerprint vendor IdentoGo. You must submit your fingerprints electronically via LiveScan at one of the closest vendor locations. Please contact IdentoGo for mailing in fingerprint cards which is only for Non-Florida residents or individuals physically unable to be digitally fingerprinted. The fingerprinting fee is \$50.75 (varies); plus local Florida county sales tax. All fingerprint **fees must be paid online only**. Once you have completed the fingerprinting payment and process the fingerprints are submitted electronically to the Florida Department of Law Enforcement and the results of your fingerprint-based criminal history check are then submitted electronically to the Florida Department of Financial Services within 72 business hours. IdentoGo never has access to your fingerprint-based criminal history. **IMPORTANT:** We do not share fingerprint results with other agencies or other states. We do not accept fingerprint results from other vendors or other states.
