You still have access to these features!

- Customer service and oversight from the Bureau of Deferred Compensation and its Investment Providers
- Rollover outside pre-tax investments into the Plan
- Investment reallocations
RELAX AND STAY A WHILE...

Even though you have left employment with the State of Florida, you are under no obligation to make withdrawals from or rollover out of the Florida Deferred Compensation Plan*. In fact, you are encouraged to leave your money invested in the Deferred Compensation Plan—at no cost to you—and continue to grow your retirement savings.

*Federal law requires minimum distribution at age 70 1/2.

STAY INVESTED, AND WATCH YOUR SAVINGS GROW!

Your account balance today

In 30 years, your account balance could grow to be almost four times as much as it is now if you choose to leave it invested in the Plan!

Your account balance after 30 more years of growth!

This chart is for illustrative purposes only and not meant to represent the performance of any specific investment option. The scenario assumes a 7% return and reinvestment of earnings, with no withdrawals. Rates of return may vary.

Taxpayer funds were not used to produce or mail these materials.
