SUBJECT: FLORIDA GRANT CONSORTIUM WORKSHOP NOTIFICATION

The Florida Grant Consortium will conduct a quarterly workshop on Thursday, February 16, 2017 from 9:00 AM to 11:30 AM at the Winewood Office Complex, Building 4. This facility is located at 1317 Winewood Boulevard in Tallahassee.

Mark Mahoney, Director of Revenue Management for the Department of Children and Families, will provide insight into the Uniform Grant Guidance (UGG) and its relevancy to the Federal Data Act. Mark recently participated in a workgroup that created a PowerPoint which was presented at the national level. The Consortium Workshop presentation will be a condensed version of that presentation and will highlight adjustments being made at the federal level that will increase transparency, streamline the administrative process, and increase accountability related to required performance.

Due to capacity limitations, attendance will be limited to the first 90 to register. For those who are unable to attend in person, conference call line information will be posted to the Consortium webpage. To participate in this workshop, please register through the following link:

Confirmations and meeting materials will be emailed to registrants by the close of business Tuesday, February 14, 2017. Meeting materials and the conference call line information will be posted on the Consortium webpage at that time. On the morning of the workshop, we will post a link on the webpage that will provide the opportunity to view the presentation through the Microsoft Office Presentation service. The webpage link is:
