SUBJECT: FLORIDA SINGLE AUDIT ACT ANNUAL CERTIFICATION

Annual Agency Certification for Fiscal Year Ending June 30, 2018

Chapter 69I-5.005(4), Florida Administrative Code, requires State agencies to annually certify the accuracy and completeness of their state projects included in the Catalog of State Financial Assistance (Catalog). Agencies must complete the Catalog of State Financial Assistance Certification (Form DFS-A2-AC), available at <https://apps.fldfs.com/fsaa/document/agencycertification.doc>, and identify any additions, deletions, or changes applicable to Fiscal Year 2017-2018. The completed certification form and documentation for additions/deletions/changes must be submitted to the Bureau of Auditing by September 1, 2017.

Additions to the Catalog require a new CSFA project number. Three (3) forms are required to add a new project:

1. State Project Determination Checklist (Form DFS-A2-PD);
2. CSFA Request Form (Form DFS-A2-AR);
3. Agency Reporting Form/Compliance Supplement Form (Form DFS-A2-CS).

All forms are available at <https://apps.fldfs.com/fsaa/> under the Links/Forms tab. Please ensure all required signatures are complete on each form prior to submission.

Deletions to the Catalog should be submitted by printing the current project detail and writing 'Delete Project' at the top, and clearly state the reason the project is being deleted from the catalog. **Please include all pertinent documentation to support your request. Project deletions must be signed and dated by the Agency's Division Director responsible for the project.**

Changes to projects currently on the catalog should be submitted by printing the current project detail summary, striking through language that is to be deleted, and legibly writing the new language in the margin. Examples of changes to projects may include changes to funding source or amount, GAA line item reference, or contact information. **Please include all pertinent documentation to support your request. Changes must be signed and dated by the Agency's Division Director responsible for the project.**

Electronic submissions and documentation can be emailed to FSAA@myfloridacfo.com or all originals can be mailed to:
