Executive Summary

Executive Summary

Purpose

Pursuant to Section 29.008(4)(a), Florida Statutes, the Department of Financial Services will review county expenditure reports for determining if counties have increased their annual court-related expenditures by 1.5 percent based on what was reported the prior year. This review and analysis, as required by law, compares court-related expenditures from Fiscal Year 2017 - 2018 (FY 17-18) to Fiscal Year 2018 - 2019 (FY 18-19). The expenditures analyzed include: Facility Lease/Rent Expenditures, Maintenance Expenditures, Utility Expenditures, Security Expenditures, Communications Systems and Services Expenditures, Existing Radio System Expenditures, Existing Multi-Agency Criminal Justice Information Systems Cost, and selected Local Requirement Programs Expenditures.

Analysis*

Expenditure data recorded in the Statement of County Funded Court-Related Functions Report was submitted by 66 of 67 counties for FY 17-18 and FY 18-19. Increasing the amount reported for FY 17-18 for the above expenditures by 1.5 percent determines the minimum amount to be reported for FY 18-19 expenditures. For FY 17-18 and FY 18-19, the counties reported expenditure totals of \$627,535,198.14 and \$661,083,780.62 respectively. The difference between the calculated FY 18-19 minimum and actual amounts identify the expenditures requiring explanation, if requested.

* Dixie County is not included in FY 17-18 and FY 18-19 report data because the Department of Financial Services has not received copies of their expenditure data.
