

In-The-Field Training

We offer a multi-subject training, combining the FLAIR Fundamentals topics with FLAIR Expenditures, or with FLAIR Revenues.

This concentrated training will be presented regularly. Check the training schedule for dates.

Training Schedule

Look for a quarterly training schedule to help you plan for, and attend, FLAIR Intermediate and Advanced courses. The schedule is located on the Division of Accounting and Auditing website.

To access the training schedule:

Intermediate

Intermediate courses are 2-day, in-class instruction, that take you through scenario-based activities in a live FLAIR learning environment.

INSTRUCTOR-LED LEARNING

FLAIR Fundamentals

This course gives an overview of FLAIR, governmental accounting, and data codes and files used by FLAIR.

FLAIR Expenditures

This course gives an overview of encumbrances, disbursement transactions, voucher processing and warrant administration.

FLAIR Revenues

This course gives an overview of revenue processes, cash receipt transactions, accounts receivable transactions, and revenue adjustments.

FLAIR Fundamentals Course is a prerequisite for FLAIR Expenditures and FLAIR Revenues courses.

To register for Intermediate classes:
<https://apps8.fldfs.com/lms/Home.aspx>

Advanced

Advanced courses and materials are focused on specialized subjects within Accounting and Auditing and FLAIR.

INSTRUCTOR-LED LEARNING

Asset Management (Property)

Managed Reporting Environment (MRE)

JOB AIDS

Year End Marking of Subsidiary Files

The State's best provider in FLAIR education

"FLAIR class helped me understand my job instead of just doing it."

"The instructors were fun, attentive, and knowledgeable."

"The hands-on experience helped me make sense of everything."

"I can't wait to attend the next class."
