

# HOLOCAUST VICTIMS ASSISTANCE PROGRAM FLORIDA DEPARTMENT OF FINANCIAL SERVICES

## What We Do

The Florida Department of Financial Services provides assistance to Florida Holocaust survivors seeking to recover proceeds from an insurance policy issued to a Holocaust victim and restitution for Nazi-confiscated bank accounts, art and property. Although many of the deadlines have passed for submitting claims to compensation programs, it may be possible to submit a claim directly with the financial institution or with remaining open restitution funds. The Florida Department of Financial Services also provides education and assistance to Holocaust Survivors regarding restitution programs from Germany, Poland, Czech Republic, France, Austria, Hungary and others. Information and assistance is also provided to individuals seeking access to much needed home health care services.

## Fee Waiver Program

The Florida Department of Financial Services assists survivors in obtaining wire transfer fee waivers on all European reparation payments. Holocaust survivors in Florida were being assessed an international wire transfer fee, ranging from \$10 to \$40 per transaction. Currently, 23 financial institutions in Florida are participating in the Fee Waiver Program and have agreed to waive the wire transfer fee on reparation payments. Survivors who are being assessed an international wire transfer fee from a European settlement fund are encouraged to seek assistance from our office.
