**Florida Department of Financial Services, Division of Rehabilitation
and Liquidation**
First Commercial Insurance Co. in Liquidation
Notes to Financial Statements
Dated March 31, 2011

1. **Estate Information.** First Commercial Insurance Co. was a property and casualty company domiciled in Florida and placed in liquidation on August 24, 2009.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on the liquidation basis of accounting using a fiscal year of July 1 through June 30. This initial statement will reflect a shortened fiscal year from July 1, 2010 through June 30, 2011. The assets are stated at their estimated realizable values, while the liabilities are stated at their ultimate (gross filed) amounts and are periodically adjusted as evaluated, adjudicated and/or paid. In addition, the statements do not provide accruals for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Statement Format Changes.** On July 1, 2001, the Receiver converted accounting systems, which resulted in the historical accounting data being presented differently in this set of financial statements than the previously prepared statements for this estate. Because the new system uses a more detailed chart-of-accounts and summarizes data into categories different than previously used, the 'Since Date of Liquidation' column of historical data on the 'Statement of Cash Receipts and Disbursements' may not correspond directly to previous statement presentations. Users of this "Liquidation to-date" information should solicit additional information from the Receiver before making assumptions about the data.
5. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: the Receiver's operating account held at the Bank of America and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".
6. **Cash - Company Operating.** Consists of funds currently held in the Company's bank accounts that were used prior to liquidation and have not yet been closed.
7. **Short Term Investments – Restricted.** The investments are stated at fair value, which approximates market value. Market values are those provided by the depository trust institution or brokerage institution in possession of the securities at the balance sheet date. The certificates of deposit in this estate are subject to legal action involving the bank and the Receiver.
8. **Accounts Receivable.** This accounts receivable represents funds to the estate and for which we have promissory notes.
9. **Marshaled Inventory.** Represents real property and is valued pursuant to recent appraisals.
10. **Fixed Assets.** Estimated value of personal property such as office furniture and equipment.
11. **Other Assets.** Consists of two mortgage receivables.
12. **Advance to Guaranty Association(s).** Represents funds advanced to guaranty associations for the payment of covered claims and expenses. The guaranty association is obligated to promptly return any or all of these funds if the Receiver determines that repayment of claims of equal or superior priority is necessary.
13. **Allowance for Impaired Assets.** Generally an estimate of uncollectible amounts for certain assets. This allowance represents certificates of deposit held by Colonial Bank, currently unavailable, and the estimated uncollectible portion of the company's investment through two underperforming mortgages.
14. **Accounts Payable.** Consists of Sales Tax payable due to rent collections.
15. **Security Deposits Payable.** Consists of a security deposit for leased space.
16. **Mortgage Payable.** Mortgages on real property that are part of legal actions between the Receiver and BB&T Bank (formerly Colonial Bank).

**Florida Department of Financial Services, Division of Rehabilitation
and Liquidation
First Commercial Insurance Co. in Liquidation
Notes to Financial Statements
Dated March 31, 2011**

17. **Secured Claim.** Consists of rent payments collected from Ascendant pending resolution of mortgages on real property that are part of legal actions between the Receiver and BB&T Bank (formerly Colonial Bank), and revenues and expenses on other property where ownership is in question.
18. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, unadjudicated, and has not been reduced by any early access payments from the Florida Receiver. Claims liability numbers are based upon information and documentation provided to the Receiver as of December 31, 2010.
- Proofs of claim forms have been mailed and the claims deadline expired on August 17, 2010.
 - Claims classified as Class II and Class III others are being reported at the reserved amount. All other claims are being reported as gross filed.
19. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
20. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
