**Florida Department of Financial Services, Division of Rehabilitation
and Liquidation**
Northern Capital Insurance Co. in Liquidation
Notes to Financial Statements
Dated December 31, 2011

1. **Estate Information.** Northern Capital Insurance Co. was a property and casualty company domiciled in Florida and placed in liquidation on May 1, 2010.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on the liquidation basis of accounting using a fiscal year of July 1, 2011 through June 30, 2012. The assets are stated at their estimated realizable values, while the liabilities are stated at their ultimate (gross filed) amounts and are periodically adjusted as evaluated, adjudicated and/or paid. In addition, the statements do not provide accruals for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: the Receiver's operating account held at the Bank of America and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due to/from the Admin Fund".
5. **Accounts Receivable.** Represents Agents Balances in process of collection and funds held as security deposits by Florida Power and Light Company.
6. **Marshaled Inventory.** Represents real property consisting of a single family home and residential condominium units and are valued based on appraisals.
7. **Advance to Guaranty Association(s).** Represents funds advanced to guaranty associations for the payment of covered claims and expenses. The guaranty association is obligated to promptly return any or all of these funds if the Receiver determines that repayment of claims of equal or superior priority is necessary. In this instance FIGA has verbally agreed that Return Premium checks the Receiver allows to clear post-liquidation are early access. When the account is closed and the numbers are finalized our Legal and Claims sections will draft an early access agreement for their signature. The amount of return premium checks currently reflected is not a final, reconciled number.
8. **Unclaimed Property.** These Unclaimed Property funds consist of return premium checks issued on behalf of FIGA that are still outstanding for claimants who could not be located. The funds are due to the Unclaimed Property section of the State of Florida.
9. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, unadjudicated, and have not been reduced by any early access payments from the Florida Receiver. Claims liability numbers are based upon information and documentation provided to the Receiver as of September 30, 2011.
 - Proofs of claim forms have been mailed. The claims filing deadline was April 30, 2011. All return premium claims are "deemed filed" per court order entered on August 04, 2010.
 - The guaranty fund claim is being reported at their gross filed amount. All other classes are being reported at their estimated value.
 - \$34,194,147.43 has been advanced to policyholders on behalf of the Florida Insurance Guaranty Association.
10. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
11. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
