PROPOSAL TO THE 7th EDITION OF FLORIDA FIRE PREVENTION CODE

PART II

FLORIDA FIRE PREVENTION CODE	EVALUATION CRITERIA
	LOG NUMBER

The base codes for the Florida Fire Prevention Code shall be **NFPA-1, 2018** and **NFPA-101, 2018**

IMPACT (select one)	STATEWIDE: <input checked="" type="checkbox"/>	COUNTY:	CITY:
---------------------	--	---------	-------

Describe the geographical area of impact:

1. The proposal shall identify the code section or local ordinance to be modified.
2. The proposal (Part I and Part II) along with Financial Impact Statement may be submitted electronically; however, a hard copy is required as follow-up.

Submit this evaluation with each proposed amendment.

1. How does the proposal strengthen the base code to enhance safety in Florida?
Will provide a statewide standard on underground and private mains.

2. Is the proposal easy to understand and how does it contribute to a user-friendly code?
As it is an NFPA standard, it is easy to follow and understand, in likeness to other referenced standards.

3. Document the proposal's technical merit and how it is supported by a scientific basis?
It is a nationwide accepted standard for underground installation.

4. Describe how will the proposal be enforceable?
It shall be enforced just as other standards that are referenced in the Florida Fire Prevention Code.

5. How does the proposal affect Florida's diverse conditions such as climate, construction and population? No effects anticipated or foreseen.

PROPOSAL TO THE 7th EDITION OF FLORIDA FIRE PREVENTION CODE

Fiscal Impact Statement

Provide the estimated cost of the proposed amendment to the Florida Fire Prevention Code for each of the following questions. Cost data should be accompanied by a list of assumptions and support documentation.

1. Will the proposed amendment have an impact on the local entity relative to the implementation and enforcement of the proposed amendment?

None

Minimal, Provide a brief explanation: Underground for fire protection is already being placed in the state. This standard will ensure equality of installation.

Other, Provide an explanation for estimate and methodology used:

2. Will the proposed amendment have an impact on the business/property owner relative to the cost of compliance with the proposed amendment?

None

Minimal, Provide a brief explanation: Permit fee and inspection to ensure quality, code compliant installation.

Other, Provide an explanation for estimate and methodology used:

3. Will the proposed amendment have an impact on small counties or small cities?

(A "small city" is defined by section 120.52, F.S., as any municipality that has an un-incarcerated population of 10,000 or less according to the most recent decennial census. A "small county" is defined by section 120.52, F.S., as any county that has an un-incarcerated population of 75,000 or less according to the most recent decennial census.)

No adverse impact on small cities or small counties

Minimal, Provide a brief explanation:

Other, Provide an explanation for estimate and methodology used:

Provide a good faith estimate of the number and types of affected persons/entities:

- (1) The number of individuals and entities likely to be required to comply with the rule: Fire Sprinkler contractors that are already installing this type of work.

PROPOSAL TO THE 7th EDITION OF FLORIDA FIRE PREVENTION CODE

- (2) A general description of the types of individuals likely to be affected by the rule: Fire Sprinkler contractors.
