E-Mail craborn@capecoral.net

Company Cape Coral Fire Department

Street Address P.O.Box 150027

City Cape Coral State Florida Zip 33915-0027

Organization Represented (if any) Cape Coral Fire Department

Local Ordinance No. _____ Jurisdiction _____ Section/Paragraph _____

NFPA Standard No. and edition year NFPA 1 : 2015 Section/Paragraph 13.3.2.6.5.1

Indicate One (Designate by "X" at the end of the line):

- 1. Revise section to read:
- 2. Add new section to read:
- 3. Delete section without substitution:
- 4. Delete section and substitute the following:

Proposal (underline proposed new wording or strike-through the wording to be deleted):

Existing wording sunset: The requirement of 13.3.2.6.5 may be omitted if the seperation of roofs, canopies, porte-cochers, balconies, decks, or similar projections are a minimum 5 ft (1.5 m) from the sprinklered building. This is effective for new construction projects only.

Statement of Problem and Substantiation for Proposal (Note: State the problem that will be resolved by your recommendation; give the specific reason for your comment including copies of tests, research papers, fire experience, etc. If more than 200 words provide an abstract and describe the source document.) (Must be filled in to be considered):

This is the current language apoted for the 6th Edition that will sunset and appears to work for the safety of our Florida residents and it's visitors.

Signature (Required)

C. David Raborn

Printed Name

To be considered, proposals must be received by July 1, 2019

PROPOSAL TO THE 7th EDITION OF FLORIDA FIRE PREVENTION CODE

PART II

FLORIDA FIRE PREVENTION CODE	EVALUATION CRITERIA
	LOG NUMBER

The base codes for the Florida Fire Prevention Code shall be **NFPA-1, 2018** and **NFPA-101, 2018**

IMPACT (select one)	STATEWIDE:XXXX	COUNTY:	CITY:
---------------------	----------------	---------	-------

Describe the geographical area of impact:

State of Florida

1. The proposal shall identify the code section or local ordinance to be modified.
2. The proposal (Part I and Part II) along with Financial Impact Statement may be submitted electronically; however, a hard copy is required as follow-up.

Submit this evaluation with each proposed amendment.

1. How does the proposal strengthen the base code to enhance safety in Florida?

Reduce the grey area within base code of distance needed between a sprinklered building and a canopy or overhang with combustibles.

2. Is the proposal easy to understand and how does it contribute to a user-friendly code?

Yes

3. Document the proposal's technical merit and how it is supported by a scientific basis?

Based on the building code distance of separation and approved distance from the code council (2016)

4. Describe how will the proposal be enforceable?

During plan review

5. How does the proposal affect Florida's diverse conditions such as climate, construction and population?

During Floridas winter months, resturants use propane heaters under the unsprinklered portion of their sprinklered building.

PROPOSAL TO THE 7th EDITION OF FLORIDA FIRE PREVENTION CODE

Fiscal Impact Statement

Provide the estimated cost of the proposed amendment to the Florida Fire Prevention Code for each of the following questions. Cost data should be accompanied by a list of assumptions and support documentation.

1. Will the proposed amendment have an impact on the local entity relative to the implementation and enforcement of the proposed amendment?

None

Minimal, Provide a brief explanation:

Other, Provide an explanation for estimate and methodology used:

2. Will the proposed amendment have an impact on the business/property owner relative to the cost of compliance with the proposed amendment?

None

Minimal, Provide a brief explanation:

Other, Provide an explanation for estimate and methodology used:

3. Will the proposed amendment have an impact on small counties or small cities?

(A "small city" is defined by section 120.52, F.S., as any municipality that has an un-incarcerated population of 10,000 or less according to the most recent decennial census. A "small county" is defined by section 120.52, F.S., as any county that has an un-incarcerated population of 75,000 or less according to the most recent decennial census.)

No adverse impact on small cities or small counties

Minimal, Provide a brief explanation:

Other, Provide an explanation for estimate and methodology used:

Provide a good faith estimate of the number and types of affected persons/entities:

- (1) The number of individuals and entities likely to be required to comply with the rule: 100
- (2) A general description of the types of individuals likely to be affected by the rule:

Speinklered resturants that wish to store combustibles under roofs, canopies, and overhangs.
