OLD BUSINESS: None

NEW BUSINESS:

- Rob McGilloway, the Florida Fire Training Directors Association reported the FFTDA will be submitting a letter to the Bureau of Fire Standards and Training to open the rule for Live Fire.
 - 1403 updates
 - 1402 is now a standard not a suggestion

2019 Education Provider of the Year goes to Eastern Florida State College

- Mike Bellamy – February 12, 2020 at The Capitol, “Fire Ops on The Hill”
 - Interactive “show and tell” for Legislators. Partnering with FPF, SFM, Forestry, Tallahassee Training Center and Fire Department
 - Extrication
 - Door prop
 - Gear

- Drone Team
 - USAR
 - Etc.
- Thomas DiBernardo, EMS, FFIRS Panel – EMS officer training/curriculum has been completed and developed. FESHE and USFA has an EMS “track”. That curriculum is being used as the core. Because there are enough credits included for a two-year degree, it comes out from under DOE’s responsibility and get into 300/400 level classes which are bachelors. Unfortunately, that loosens the control for curriculum where each school has the right to submit their own EMS officer curriculum. The EMS Council is now looking at offering the program through the Florida State Fire College. If that decision is made, Chief DiBernardo would like the support of the Council.

On a motion duly made, Neal deJesus was voted Chairman of the Firefighters Employment, Standards and Training Council for another term.

Motion carried.

On a motion duly made, Randy Touchton was voted Vice Chairman of the Firefighters Employment, Standards and Training Council for another term.

Motion carried.
