Senior Citizens Mutual
Insurance Co. in Liquidation
Notes to Financial Statements**

Dated June 30, 2016

1. **Estate Information.** Senior Citizens Mutual Insurance Co. was a property and casualty company domiciled in Florida and placed in liquidation on June 1, 2005.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on a modified cash basis of accounting using a fiscal year of July 1, 2015 through June 30, 2016. The assets are stated at their estimated realizable values, while the liabilities are stated at their gross filed amounts and are periodically adjusted as evaluated, adjudicated and/or paid. Interest is accrued and reinsurance receivables are only posted when billed to reinsurers. In addition, the statements do not provide accruals for all future administrative expenses to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: the Receiver's operating account held at the Bank of America and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".
5. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, un-adjudicated, and have not been reduced by any early access payments from the Florida Receiver. Claim liability numbers are based upon the most current available information and documentation provided to the Receiver from both internal and external sources.
 - All claims have been adjudicated and are reported net of authorized distributions.
 - A 100% claims distribution for Class 1, Class 2 and Class 3 claims was authorized on December 21, 2012.
 - A 100% claims distribution for Class 4, Class 6 and Class 7 claims was authorized on September 11, 2013.
 - The Second Interim Claims Report was approved December 22, 2015; two objections were filed with an estimated claimed value of approximately \$2,000,000.
 - An Amended Second Interim Claims Report was approved June 6, 2016; the deadline to file an objection is July 11, 2016.
6. **Federal Priority.** Pursuant to 31 U.S.C.A. § 3713, a federal government claim must be paid first, when a debtor to the United States is insolvent. The federal government has taken the position that it is not subject to state insurance liquidation proceeding's claims filing deadlines. To establish finality, shield itself from potential liability, and ultimately discharge the estate, the Receiver requested a federal release from the U.S. Department of Justice (DOJ). The federal release was subject to the approval of the receivership court. The U.S. DOJ release for this estate was approved by court order on February 26, 2013.
7. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
8. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
