INTRODUCTION

The Department of Financial Services (DFS) has completed a review of the budget certifications made by the Okaloosa County Clerk of Circuit Court's Office to the Clerks of Court Operations Corporation (CCOC), pursuant to Section 28.35(3)(b), Florida Statutes (F.S.). The scope of our review focused on validating the processes and methodologies utilized in the development of the Clerk's budgets for fiscal years 2004-2005 (FY 04-05), 2005-2006 (FY 05-06) and 2006-2007 (FY 06-07).

The Chief Financial Officer (CFO) has contracted with CCOC to establish a process for review and certification of court-related budgets submitted by the Clerks of Circuit Courts. The CCOC is responsible for calculating the maximum authorized annual budget, identifying budgets exceeding the maximum expenditure amounts for a standard list of court-related functions and identifying budgets that have insufficient revenues to cover court-related expenditures, pursuant to Section 28.36, F.S.

SUMMARY

- The FY 04-05, FY 05-06 and FY 06-07 approved budgets were \$3,419,093, \$3,467,548 and \$3,819,208 respectively.

- Budgeted revenues for FY 04-05 were \$4,315,607. Actual revenues and expenditures as reported by the Clerk were \$5,057,327 and \$3,083,951 respectively, resulting in a \$1,973,376 surplus for FY 04-05. The Clerk remitted the FY 04-05 surplus to the Department of Revenue (DOR) on December 30, 2005 for deposit in the General Revenue Fund, pursuant to the provisions of Section 28.37(4), F.S.

- Projected revenues and expenditures for FY 05-06 were \$5,007,281 and \$3,467,548 respectively, resulting in a budgeted surplus of \$1,539,733. Actual unaudited revenues and expenditures as reported by the Clerk for FY 05-06 detail a surplus of \$2,175,355. SCOPE, OBJECTIVES AND METHODOLOGY

Scope

The Scope of our review included an analysis of the development of the Clerk's FY 04-05, FY 05-06 and FY 06-07 budgets. Our review was conducted on May 23 - 25, 2007 at the Okaloosa County Clerk of Circuit Court's Office.

The budget review was conducted with the following objectives:

- Each Clerk shall develop a budget funded from fees, services charges, court costs and fines, pursuant to Sections 28.35, 28.36 and 28.37, F.S. Clerks must provide detailed information on expenditures necessary for the performance of court-related functions using the court-related codes in the uniform Accounting System Manual (UASM). The budget shall be submitted annually to CCOC for review and approval. The CCOC budget approval process focuses on the following key components:
 - Overhead Cost Allocation – The Okaloosa County Clerk's Office applied a 69.57 and 64.84 percent cost allocation rate to the FY 04-05 and 05-06 certified annual budgets. A 66.33 percent cost allocation rate is being utilized for the FY 06-07 budget.
 - Our review of supporting documentation disclosed that the methodologies used to calculate and distribute overhead costs were reasonable.
 - Distribution of Court-Related FTEs – The Okaloosa County Clerk's Office budgeted 73.74 of 106.00, 67.43 of 104.00 and 74.29 of 112.00 FTEs for FY 04-05, FY 05-06 and FY 06-07 respectively, to be directly supportive of court-related functions.

- Our review determined that the Clerk’s FY 04-05, FY 05-06 and FY 06-07 budgets were prepared pursuant to CCOC instructions and submitted in accordance with the provisions of Section 28.36, F.S.
- Expenditures during the review period were limited to court-related functions as specified in Section 28.35(4)(a), F.S.
- Revenues for fees, services charges, court costs and funding for court-related functions for FY 04-05 and FY 05-06 were assessed pursuant to the provisions of Chapter 28, F.S. The Clerk’s budget for FY 06-07 was based on projected revenues from the same sources, pursuant to Section 28.36, F.S.
