SUBJECT: AGENCY PAYROLL CALENDAR – JANUARY 2027

The Bureau of State Payrolls (BOSP) is providing the [January 2027 Payroll Calendar](#) for agency planning and reference. The attached calendar identifies the payroll processing dates and applicable agency deadlines for the payrolls scheduled for the month of January.

As a part of the transition to Florida PALM, the payrolls identified on the attached calendar will be processed through the Florida PALM system. Please note that the payroll calendar is subject to change, if necessary, based on system implementation, processing requirements or other unforeseen circumstances. Agencies will be notified of any changes as soon as possible.

Agencies should review the calendar carefully and ensure that appropriate staff are aware of all applicable payroll processing deadlines.

Additionally, BOSP is providing an informational document, [Payroll Calendar Events](#), regarding new payroll events that agencies will encounter as payroll processing transitions to Florida PALM. The document is intended to provide agencies with an overview of the new payroll events and assist with preparation for upcoming payroll processing.
