Now it's time to "boogie" into the future!

- The State of Florida has been working on a multiyear endeavor to replace the current accounting and cash management systems with a cloud-based financial management solution.
- The Florida PALM Project commenced on July 1, 2014.
- The first transition to Florida PALM is scheduled for July 2021.
- Visit the Florida PALM website to view the [Project Timeline](#) for more details!

The CMS Wave is almost here, the time is now.

Be prepared, our success depends on you!
