Readiness Workplan Tasks

RW Task # 331 – Bimonthly Status Report

- ▶ First report due 9/10/2023
- ▶ Reporting to ESC as required by the Implementing Bill

“(3)(d) The chair shall request all [agency project sponsors](#) to provide [bimonthly status reports](#) to the executive steering committee. The form and format of the bimonthly status reports shall be developed by the Florida PALM Project and provided to the executive steering committee meeting for approval. Such agency status reports shall provide information [to the executive steering committee](#) on the [activities and ongoing work within the agency to prepare their systems and impacted employees](#) for the deployment of the Florida PALM System. The first bimonthly status report is [due September 1, 2023](#), and bimonthly thereafter.”

“(4)(f) Review, and approve as warranted, the format of the bimonthly agency status reports to include [meaningful information on each agency's progress](#) in planning for the Florida PALM Major Implementation, [covering the agency's people, processes, technology, and data](#) transformation activities. “
