## **NAVIGATING THE GASB 87 DATE FIELDS**

**Example 1:** Lease that began on January 1, 2021, which is prior to the implementation date of GASB 87 (7/1/2021). Payments are \$1,000.00 per month and made at the beginning of each period. The interest rate is 4%.

The three dates for Questions 14, 15, and 16 should be entered as follows:

14. Lease start date:

1/1/2021 – just as it appears on the contract

- 15. Lease Payment Date in Measurement Year: 7/1/2021
  - a. Although the payments began January 1, 2021, GASB 87 ignores payments prior to the Statement's implementation date.
  - b. Therefore, the first payment date <u>during the measurement year</u> is 7/1/21.
- 16. Measurement Date:

7/1/2021

- a. Because we are implementing GASB 87 during fiscal year 2021-2022, the measurement date is 7/1/2021 for any leases beginning on or before 7/1/2021.
- b. See Example 2 for leases beginning after 7/1/2021.

# GASB 87 Decision Tree - Agency 110000

| 1. Lease ID (Short Name) *   |
|--|
| 110000-Date Test-Contract starts pre-7/1/21 7 characters remaining   |
| Provide a unique, short alphanumeric name for the lease that begins with your OLO. 50 characters or fewer.  Example: 430000-contract #-Copiers |
| 2. Lease Description   |
| Contract start date 1/1/21, payment date 1/1/21, 5-year lease @ 4% interest rate   |
| An optional description for the lease can be specified   |
| 3. Lease Type *  |
| D Lessee   |
| ) Lessor   |
| Specify whether the lease is for the lessee or lessor  |

After going through the determination questions, it has been determined that this is, indeed, a GASB 87 lease:

# This is a GASB 87 Lease. Complete the lease details below. 11. Organization's Year End Date \* 06/30/2022 Provide the organization's year-end date 12. Department/Agency \* 110000 OLO Number of the agency where lease is recorded 13. Fund Number \* 110000202339120 Number of the fund where lease is recorded 14. Lease Start Date \* 01/01/2021 Date on which the lease commences 15. Lease Payment Date in Measurement Year \* 07/01/2021 Date lease payment is due within the Measurement year. Measurement year is the fiscal year in which the lease is recorded per GASB 87 16. Measurement Date \* 07/01/2021 Lease start date, except in year of implementation, then it is the beginning of the first fiscal year presented 17. Lease Increment Between Payments \*

Specify the amount of months between successive payments

1 - Monthly2 - Bi-monthly12 - Annually

# 18. Lease Period (in months) \* 60 Total number of months lease covers from 'Lease Payment Date in Measurement Year' to end of lease term (including extension(s) when applicable) 19. Lease Annual Interest Rate \* 4 Annual interest rate (listed in lease contract or calculated implied rate). Values are % values out of a 100, annually. So 6.25% annually would be entered as 6.25. See CEFP rate. 20. Lease Payments (in months) \* Specify payments Note: If the lease is paid or received over a period other than monthly (such as annually), convert the payments/receipts to a monthly basis.

Remember that the first payment made within the measurement period (fiscal year 2021-2022) was made on 7/1/2021 (because it is due at the beginning of each month). The field controlling when the payment breakdown period begins is the Lease Payment Date in the Measurement Year. Note that the monthly breakdown in the image below begins with July 2021.

# Specify Monthly Payment Breakdown

| Pick one of the three options | below to specify the m | onthly payment breakdown. |  |
|-------------------------------|------------------------|---------------------------|--|
| Single Fixed Payment          | Escalation Rule        | Monthly Breakdown         |  |

# Payment Breakdown \*

Specify the individual payments per period.

You can paste values from the clipboard. Make sure the values are tab separated, and of format MM-yyyy or MMyyyy and payment amount. Select the first payment input box (Cmd+V on macOS)

| Period  | Amount |
|---------|--------|
| 07-2021 |        |
| 08-2021 |        |
| 09-2021 |        |
| 10-2021 |        |
| 11-2021 |        |
| 12-2021 |        |
| 04 0000 |        |

Had the first payment been due on August 1, 2021, the data fields and the payment breakdown schedules would appear as follows:

| 14. Lease Start       | Date *                |                                   |                    |                           |                           |
|-----------------------|-----------------------|-----------------------------------|--------------------|---------------------------|---------------------------|
| 01/01/2021            |                       |                                   |                    |                           |                           |
| Date on which the l   | ease commences        |                                   |                    |                           |                           |

|                       | Allio                 | unt                               |                    |                           |                           |
| 08-2021               |                       |                                   |                    |                           |                           |
| 09-2021               |                       |                                   |                    |                           |                           |
| 10-2021               |                       |                                   |                    |                           |                           |
| 11-2021               |                       |                                   |                    |                           |                           |

**Example 2:** Lease that began on October 1, 2021, which is after the implementation date of GASB 87 (7/1/2021). Payments are \$1,000.00 per month and made at the beginning of each period. The interest rate is 4%.

The three dates for Questions 14, 15, and 16 should be entered as follows:

14. Lease start date: 10/1/2021 – just as it appears on the contract

15. Lease Payment Date in Measurement Year: 10/1/2021

16. Measurement Date: 7/1/2021 or 10/1/2021

- a. Because we are implementing GASB 87 during fiscal year 2021-2022, the measurement date is 10/1/2021 for any leases beginning after the 7/1/2021 GASB 87 implementation date.
- b. The user can also enter 7/1/2021, since the year of implementation begins on 7/1/2021.

| 14. Lease Start | Date * |
|-----------------|--------|
| 10/01/2021      |        |

Date on which the lease commences

### 15. Lease Payment Date in Measurement Year \*

Date lease payment is due within the Measurement year. Measurement year is the fiscal year in which the lease is recorded per GASB 87

### 16. Measurement Date \*

Lease start date, except in year of implementation, then it is the beginning of the first fiscal year presented

| 10/01/2021  |   |  |                        |                                 |                   |
