Floridians,

This week, I highlighted the Florida Department of Financial Services' [Top 20 Successes](#) of 2020. Through the year our team worked to support Florida families and businesses through the COVID-19 pandemic, fought fraud and held scam artists accountable, advocated for Florida's brave firefighters and first responders, responded to a historic hurricane season, provided record-breaking unclaimed property returns to Floridians, and advocated for Florida consumers and businesses.

Lastly, while many will be eager to have a good time this New Year's Eve, please remember to celebrate safely and ensure a happy new year for your friends and family by following a few simple but important firework [safety tips](#). If the proper safety precautions aren't taken, fireworks can cause injury and property damage and can turn a fun night into a tragic one quickly.

As we ring in 2021, I encourage all Floridians to be safe and smart this New Year's Eve.

Sincerely,

Jimmy Patronis
Chief Financial Officer
State of Florida

I'm honored today to recognize David Freeman of Key West, who's the second longest licensed insurance agent in FL! David's been licensed for more than 60 years and is celebrating his 89th birthday on New Year's Eve. Happy Birthday and thank you for your service to FL consumers!
