Floridians,

This morning, I had the opportunity to join FOX & Friends FIRST to talk about media reports indicating that the Walt Disney Company is in talks to move some jobs to Florida. This is an amazing opportunity for our state and a no brainer for Disney.

The fact is, Florida is for winners and Disney should do the exact same thing Tom Brady did and move to the State of Florida. We just put on a successful Super Bowl and Brady walked away an MVP! Disney already has a proven track record here and we would like to allow them to grow and expand their business.

It's no secret that Florida loves Disney and I couldn't think of a better place to move to than the Sunshine State.

Sincerely,

Jimmy Patronis
Chief Financial Officer
State of Florida
