In Re: The Receivership of
INSURANCE COMPANY OF FLORIDA

CASE NO. 1992-CA-005286

**DEPARTMENT'S MOTION FOR ORDER APPROVING DISCHARGE ACCOUNTING,
AUTHORITY TO RESERVE FOR DISCHARGE EXPENSES, AUTHORITY TO
TRANSFER UNCLAIMED PROPERTY, AUTHORIZING REIMBURSEMENT OF
CONTRIBUTED EQUITY, AUTHORIZING DESTRUCTION OF OBSOLETE
RECORDS AND DIRECTING FINAL DISCHARGE**

The Florida Department of Financial Services, Division of Rehabilitation and Liquidation as the court appointed receiver of Insurance Company of Florida (hereinafter the "Department"), files this *Motion for Order Approving Discharge Accounting, Authority to Reserve for Discharge Expenses, Authority to Transfer Unclaimed Property, Authorization for the Destruction of Obsolete Records and Directing Final Discharge*. In support of its motion states:

1. Insurance Company of Florida (hereinafter "ICF"), was a Florida corporation previously authorized to transact insurance business in the State of Florida. On December 29, 1992, this Court adjudicated ICF insolvent and entered an Order Appointing the Florida Department of Insurance as Receiver (of ICF) for the Purposes of Liquidation, Injunction, and Notice of Automatic Stay (the "Order"). On January 7, 2003, the Florida Department of Insurance became a part of the Florida Department of Financial Services.

2. This Court has jurisdiction over the ICF Receivership and is "authorized to make all necessary or proper orders to carry out the purposes of the Florida Insurers Rehabilitation and Liquidation Act, section 631.021(1), Florida Statutes. Pursuant to this Court's August 2, 2016 *Order Directing Status Report Regarding Completion of Distribution and Case Closure*, the Department filed its *Status Report* on August 12, 2016. This Court's *Order Directing*

Department to Comply with Prior Orders Regarding Completion of Receivership was issued October 6, 2016.

3. The Department's First Interim Claims Report (*Receiver's Motion for Order Authorizing Distribution to Class 3 Employee Priority Claim and memorandum in Support of Same*) was filed September 27, 1993, and approved by this Court's Order on September 29, 1993. This report contained the eighteen then Class 3, now Class 5, claims of company employees of ICF. The Department's Second Interim Claims Report was filed on February 7, 2011, and approved by this Court's Order on February 8, 2011 (attached as **EXHIBIT A**). This report contained the filed claims from all states in Class 1 and Class 2, except for Puerto Rico claims. The Department's Third Interim Claims Report was filed on September 19, 2011, and approved by this Court's Order on September 26, 2011 (attached as **EXHIBIT B**). This report contained the filed claims in Class 2 for Puerto Rico claimants, Class 3 claims of all states, and one Class 5 employee claim. The claims of the Puerto Rico Insurance Guaranty Association ("PRIGA") and one pending Class 2 loss claim were not included. The Department's Fourth Interim Claims Report was filed June 2, 2015, and approved by this Court's Order on June 3, 2015 (attached as **EXHIBIT C**). This Report contained the two Class 1, one Class 2, and one Class 3 claims of the PRIGA, as well as two Class 2 loss claims. The Department's Fifth Interim Claims Report was filed on March 7, 2016, and approved by this Court's Order on March 11, 2016 (attached as **EXHIBIT D**). This report contained claims in Class 4, Class 6 and Class 8. There were no Class 7 and Class 9 claims in the ICF estate. The Department's Sixth Interim Claims Report was filed on May 12, 2016, and approved by this Court's Order on May 13, 2016 (attached as **EXHIBIT E**). This report contained the lone claim in Class 10. The Interim Claims Reports are summarized in the table below:

4. On June 21, 2016, this Court entered an Order approving the Department's Final Claims Report and authorizing a distribution to the one Class 10 claim in the ICF estate (**EXHIBIT F**). The Department previously distributed to Class 1, Class 2, and Class 3 pursuant to this Court's October 28, 2015 Order (**EXHIBIT G**). The Department previously distributed to Class 4, Class 5, Class 6, and Class 8 pursuant to this Court's May 12, 2016 Order (**EXHIBIT H**). The Department's previous distributions to Classes 1-10, are summarized in the following table:

Classes Impacted	Number of Claims to Receive Distribution	Amount Claimed	Amount Allowed on Claims	Distribution Amount Authorized	Date of Order Authorizing Distribution	Exhibit Number for Attached Order
Class 1	27	\$5,236,515.81	\$4,627,017.89	\$4,627,017.89	10/28/2015	G

Class 9	0	\$ 0.00	\$ 0.00	\$ 0.00	N/A	N/A
Class 10	1	\$4,070,670.62	\$4,070,670.62	\$3,659,643.013	6/21/2016	F

There were no Class 7 or Class 9 claims in the estate.

5. The Department's *Insurance Company of Florida Discharge Accounting Statement Projected for October 2016* (the "Discharge Accounting") is attached as **EXHIBIT I**.

6. As shown in the Discharge Accounting, the estimated value of all assets of the ICF estate is projected to be \$5,176,828.26 as of October 2016.

7. The Department requests authority to retain \$10,000.00 as a reserve for "wind up" expenses of the receivership (**EXHIBIT I, Schedule D**). The de minimis amounts of any leftover reserve "wind up" expenses and the remaining balance of funds would make it impractical for an additional distribution in the ICF estate to be made. The Department requests authorization to transfer any surplus expense funds remaining after discharge and the balance of the estate's assets to GFN Corporation which is the sole class 10 claimant and the only entity not fully paid by prior distributions.

8. The Department receives an annual budget from the Florida Insurance Regulatory Trust Fund ("Regulatory Trust Fund"), which funds a portion of the Department's costs and expenses of administration. The Department funds the majority and remainder of its budget from the open receiverships it supervises. Previously, the Regulatory Trust Fund funded several state positions within the Department which included their direct labor and a portion of the Department's overhead. Each receivership is charged a portion of these state funded costs and expenses based on certain allocation formulas. It is the Department's policy to record these state funded expenditures as "Contributed Equity" on each receivership financial statement. If the Department determines that there are sufficient assets available at the end of the receivership, it

is the policy of the Department to reimburse the Regulatory Trust Fund for Contributed Equity as the Department's costs and expenses of administration, as well as the claims of state and local governments pursuant to section 631.271, Florida Statutes. The Contributed Equity for ICF projected as of October 31, 2016 is estimated to be \$734,145.83 (see **EXHIBIT I, Schedule E**). Pursuant to this Court's June 21, 2016 Order, the Department reserved for the reimbursement of Contributed Equity for the ICF estate with a final calculation of the amount to be made at the time of reimbursement.

9. Despite the Department's best efforts, some approved claims may have inadequate current address information and/or may have not provided the Department with a form W-9, required by the Internal Revenue Service. The distribution amounts that go unclaimed and/or the checks for the claimants that are returned to the Department will be verified in an unclaimed property report. The total unclaimed (or abandoned) property in the estate is \$4,293,858.39 and the Department recommends that it be transferred to the appropriate bureau(s) of unclaimed property.

10. Upon approval of the Department's request for final discharge, the records of the ICF estate will no longer be needed, and it will be necessary to dispose of the obsolete company records. Prior to the actual destruction of these records, the Department will obtain a "Disposal Authorization Certificate" from the Division of Archives, History and Records Management of the Florida Department of State.

11. The Department requests an Order authorizing the Division of Rehabilitation and Liquidation to remit to GFN Corporation any assets which may be recovered following the discharge of this receivership if, in the Department's sole discretion, the value of the recovered assets does not justify the reopening of this receivership estate.

12. All mortgages, notes, or other liens in favor of ICF recorded with the Clerks of the Circuit Courts in the State of Florida, upon property located in the State of Florida, not sold, transferred, or assigned, by the Department should be assigned to GFN Corporation.

13. The Department requests an Order that it shall be fully and finally discharged of its responsibilities in this receivership estate as of 12:01 a.m. on October 31, 2016.

WHEREFORE, the Department respectfully requests this Court grant its motion and enter an Order:

A. Approving and adopting the Department's Discharge Accounting;

B. Authorizing the transfer of \$4,293,858.39 to the appropriate bureau(s) of unclaimed property as unclaimed property;

C. Authorizing and directing the Department to retain \$10,000.00 as a reserve for "wind up" expenses of the Department. Any surplus remaining from the \$10,000.00 and the balance of the estate's assets shall be paid to GFN Corporation;

D. Authorizing the Department to reimburse the Florida Regulatory Trust Fund \$734,145.83 for contributed equity in the ICF estate;

E. Authorizing the Department, after final discharge, to destroy any obsolete records in the Department's possession;

F. Authorizing the Division of Rehabilitation and Liquidation to remit to GFN Corporation any assets which may be recovered following the discharge of this receivership if, in the Department's sole discretion, the value of the recovered assets does not justify the reopening of this receivership;

G. Assigning all mortgages, notes, or other liens, on property located in Florida, in favor of ICF to the GFN Corporation; and

H. Directing, without further Order of this Court, the final discharge of the Department of its responsibilities in this receivership estate as of 12:01 a.m. on October 31, 2016.
