

IN THE CIRCUIT COURT OF THE
SECOND JUDICIAL CIRCUIT, IN
AND FOR LEON COUNTY, FLORIDA

IN RE: The Receivership of AEQUICAP
INSURANCE COMPANY, a Florida
corporation.

CASE NO.: 2011-CA 0494

_____/

**RECEIVER'S MOTION FOR APPROVAL OF SECOND INTERIM CLAIMS
REPORT AND RECOMMENDATION ON CLAIMS**

The Florida Department of Financial Services as Receiver for AEQUICAP INSURANCE COMPANY (hereinafter "the Receiver" or "AIC") files this Motion for Approval of Second Interim Claims Report and Recommendation on Claims and states as follows:

1. On March 7, 2011, the Florida Department of Financial Services was appointed Receiver in Liquidation of AEQUICAP INSURANCE COMPANY by Order of this Court.
2. AIC was a Florida property and casualty insurer that provided primarily workers compensation and commercial vehicle coverage.
3. In accordance with Section 631.182, Florida Statutes, the Receiver has completed its evaluation and recommendations as to Classes 1 and 2 in the AIC receivership estate. At this time, the Receiver does not anticipate that the available assets of the receivership will allow for a distribution beyond the Class 2 claims; therefore only Class 2 claims were evaluated for claim amount. Classes 3 through 11 were evaluated for Class only.
4. The Receiver previously filed its First Interim Claims Report addressing 3,181 claims across several classes. The Court approved that Claims Report in an Order entered on July 8, 2014.

5. The Second Interim Claims Report consists only of non-guaranty association claimants, specifically 35 filed Class 2 claims totaling \$13,035,402.95, of which the total amount recommended by the Receiver to be allowed is \$781,884.51. There is also one Class 6 claim with an amount claimed of \$82,728.66, which is the counterpart of one of the Class 2 claims: that Class 6 claim was not evaluated as stated above, and it includes the pre-liquidation interest, fees and costs related to the Class 2 claim.

6. For the Court's convenience, a summary reflecting the above totals from the Report is attached as Exhibit "A."

7. In order to assure the validity of claim assignments, to assure that the processing of assignments does not create an undue burden on estate resources, and to assure that assignment decisions are made using the best information available, the Receiver does not recognize or accept any assignment of claim by the claimant of record unless the following criteria are met:

- A. A distribution petition has not been filed with this Court;
- B. The Receiver has been provided with a properly executed and notarized assignment of claim agreement entered into between the parties; and
- C. The Receiver has been provided with a properly executed and notarized Receiver's Assignment of Claim Change Form and required supporting documentation.

8. The Receiver's Assignment of Claim Change Form shall contain an acknowledgement by the claimant, or someone authorized to act on behalf of the claimant, that:

- A. The claimant is aware that financial information regarding claims distributions and payments published on the Receiver's website or otherwise available can assist the claimant in making an independent and informed decision regarding the sale of the claim;

B. The claimant understands that the purchase price being offered in exchange for the assignment may differ from the amount ultimately distributed in the receivership proceeding with respect to the claim;

C. It is the claimant's intent to sell their claim and have the Receiver's records be permanently changed to reflect the new owner; and

D. The claimant understands that they will no longer have any title, interest, or rights to the claim including future mailings and distributions if they occur.

9. Pursuant to Section 631.182, Florida Statutes, claimants are entitled to notice of the Receiver's recommendation on their claims and the deadline for filing an objection. The deadline to be established for filing objections will not be less than forty five (45) days from the date of this Court's Order granting approval of the Reports. A sample copy of the "Notice of Determination" containing this information and provided to claimants is attached hereto as Exhibit "B."

10. In an ongoing effort to maintain accuracy and efficiency, the Receiver proactively works to update its records to reflect change of address information for interested parties (e.g. agents, claimants, creditors, policyholders, subscribers) before mailing notifications and distribution checks. The Receiver has access to databases and other publicly available information which provide updated address information. The Receiver requests the authority to search for change of address information when applicable and to use the change of address information for future mailings without further direction of this Court.

11. The Receiver has a procedure for dealing with late-filed objections. For any objection filed after the deadline, the Receiver will send a letter to the claimant advising the claimant that his/her/its objection was not filed in compliance with the Florida Statutes and this Court's Order and therefore will not be handled as a filed objection. A copy of this letter will be filed with the Court.

12. The Receiver requests that its recommendation set forth in the Report be approved unless an objection is filed thereto within the deadline approved by the Court.

WHEREFORE the Receiver respectfully requests this Court enter an Order:

- A. Approving the Receiver's Second Interim Claims Report and Recommendations on Claims for which no objections are filed.
- B. Authorizing and directing the Receiver to provide notice to each claimant, as herewith reported to the Court, of the Receiver's recommendation regarding his/her/its claim, by United States Mail to the last known address of such person or entity, as shown in the Receiver's files.
- C. Authorizing the Receiver to establish an objection filing deadline that is not less than forty-five (45) days from the date of this Court's Order granting approval of the Receiver's Report.
- D. Approving the Receiver's sample Notice of Determination, and directing all persons or entities who have filed claims, or had them deemed filed, to file in writing any objection to the Receiver's Report they might have with the Clerk of this Court by the objection filing deadline, at:

Clerk of the Leon County Circuit Court
Second Judicial Circuit
Leon County Courthouse
301 S. Monroe Street
Tallahassee, FL 32301

And file a copy of said objection on the Receiver at the following address:

Florida Department of Financial Services, as
Receiver for Aequicap Insurance Company

2020 Capital Circle S.E., Suite 310
Tallahassee, FL 32301

- E. Requiring any person filing an objection to clearly state the name and claim identification number of the person filing the objection and to provide documentation supporting the objection and claim, and that the Court will not consider any information or documentation submitted after the objection is filed
- F. Approving the Receiver's procedure for addressing late filed objections.

SUBMITTED this 13th day of November, 2015.

PAYMENT OF CLAIMS INFORMATION

Please be advised that the assets in the receivership estate of «COMPANY» may not be sufficient to fund a distribution payment to all claimants. Distribution of funds to claimants is made in accordance with the priority schedule set forth in Section 631.271, Florida Statutes. Class 1 is designated as the highest priority and Class 11 is considered the lowest priority. All approved claims in a class must be paid in full before any payment is made to the next class. If there are insufficient funds to pay the next lower priority class in full, all approved claims in that class are paid in equal pro rata shares. Therefore, depending on the assets available for distribution, you and other claimants in your classification may only receive a percentage of the amount recommended on your claim (i.e. 25% pro rata share distribution of funds in your class equals 25 cents on the dollar). Further information on the current and projected financial condition of «COMPANY» can be found at the website listed below or the Global Receivership Information Database (GRID) website at www.naic.org.

As part of its duties, the Receiver must investigate, collect and convert all company assets into cash, prioritize and value claims, and resolve all objections to the results of the Receiver's evaluations. This process usually takes several years to complete. Distributions to claimants are made only if/when sufficient funds become available and the Court has approved the distribution. We cannot currently estimate if/when a payment may be made. Your patience in this process is appreciated.

CLAIMANT INFORMATION

If a distribution is made, the payee(s) name(s) on the claim check will be the same as the name(s) appearing on the front of this form. If the information on this form, including address, is incorrect, or becomes incorrect in the future, it is your responsibility to notify the Receiver and document any changes to a claimant's name or address. Information on how to submit a change is available at the website listed below.

Some non-confidential information (i.e., certain claimant names, addresses and recommended claim information) is compiled by the Receiver and filed with the Court in order to make recommendations regarding the value and class of claims. This information is available to consumers as a public record in accordance with Article I, Section 24 of the Florida State Constitution and Chapter 119, Florida Statutes, and may be accessed through the court files of this receivership or via the Receiver's website.

IMPORTANT INFORMATION: You may be contacted by outside third parties who may offer to purchase your claim in exchange for the transfer of your rights to a distribution, if any, in the future. Please be advised that the Receiver is not in any way affiliated with third party purchasers of claims and cannot advise or counsel individual claimants with respect to any potential distribution amounts or assist a claimant in the personal decision to sell their claim to an outside third party. All available information on the current and projected financial condition of «COMPANY» may be found at the website listed below or the Global Receivership Information Database (GRID) website at www.naic.org.
