Quality Health Plan in Liquidation
Notes to Financial Statements
Dated June 30, 2017

1. **Estate Information.** Quality Health Plan was a provider-sponsored health maintenance organization domiciled in Florida and placed in liquidation on December 1, 2011.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on a modified cash basis of accounting using a fiscal year of July 1, 2016 through June 30, 2017. The assets are stated at their estimated realizable values, while the liabilities are stated at their gross filed amounts and are periodically adjusted as evaluated, adjudicated and/or paid. Interest is accrued and reinsurance receivables are only posted when billed to reinsurers. In addition, the statements do not provide accruals for all future administrative expenses to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: the Receiver's operating account held at Wells Fargo and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".
5. **Cash - Company Operating.** Consists of funds currently held in an account at Bank United that is subject to litigation.
6. **Fixed Assets.** Assets of a durable nature such as buildings, furniture, computer equipment, and machinery. The property in this estate consists of electronic equipment such as computers, servers, phones, etc. and its' estimated value is based on prices of similar equipment from the State of Florida's Public Auction site.
7. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, un-adjudicated, and have not been reduced by any early access payments from the Florida Receiver. Claim liability numbers are based upon the most current available information and documentation provided to the Receiver from both internal and external sources.
 - The First Interim Claims Report was approved on December 9, 2015. Class 2 through Class 6 claims were evaluated and reported. All other claims are being reported at their estimated value. Ten objections were filed and resolved.
 - The Second Interim Claims Report was approved on June 13, 2016. Two Class 6 claims were evaluated and reported. One objection was filed and has an estimated value of \$6,123,363.00.
8. **Federal Priority.** Pursuant to 31 U.S.C.A. § 3713, a federal government claim must be paid first, when a debtor to the United States is insolvent. The federal government has taken the position that it is not subject to state insurance liquidation proceeding's claims filing deadlines. To establish finality, shield itself from potential liability, and ultimately discharge the estate, the Receiver requested a federal release from the U.S. Department of Justice (DOJ) on February 24, 2016.
9. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
10. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
