

**IN THE CIRCUIT COURT OF THE SECOND JUDICIAL CIRCUIT, IN AND FOR LEON
COUNTY, FLORIDA**

IN RE: The Receivership of
AVAHEALTH, INC.
d/b/a KEY INSURANCE PLAN

CASE NO.: 2012-CA-001400

**RECEIVER'S MOTION FOR ORDER APPROVING FINAL CLAIMS REPORT, CLAIMS
DISTRIBUTION REPORT, DISTRIBUTION ACCOUNTING STATEMENT AND
AUTHORIZING DISTRIBUTION**

The Florida Department of Financial Services, as Receiver of AvaHealth, Inc. d/b/a Key Insurance Plan, (hereinafter "Receiver"), by and through the undersigned counsel, hereby files this Motion for Order Approving Final Claims Report, Claims Distribution Report, Distribution Accounting Statement, and Authorizing Distribution, and as good grounds therefore states:

1. AvaHealth, Inc. d/b/a Key Insurance Plan ("AvaHealth") was a corporation authorized pursuant to the Florida Insurance Code to transact business in the State of Florida as an accident and health insurer.
2. On June 27, 2012, this Court entered an Order Appointing the Florida Department of Financial Services, as the Receiver of AvaHealth for purposes of Rehabilitation, Injunction, and Notice of Automatic Stay, effective July 2, 2012 ("Rehabilitation Order"). By order of this Court, AvaHealth was subsequently placed in receivership for purposes of liquidation on August 31, 2012 ("Liquidation Order").
3. Pursuant to section 631.021(1), Florida Statutes, this Court has jurisdiction over the Receivership and is authorized to enter all necessary and/or proper orders to carry out the purpose of the Florida Insurers Rehabilitation and Liquidation Act, sections 631.001 et seq., Florida Statutes.
4. On February 2, 2014, the Court entered an Order Approving Receiver's First Interim Claims Report and Recommendation on Claims.

5. The Receiver has compiled a Final Claims Report dated June 11, 2014, which reflects the classification of all filed claims by priority in accordance with section 631.271, Florida Statutes, and the claims filing deadline. This report also incorporates the resolution of all timely filed objections and claimant information updates. The Final Claims Report is attached hereto and incorporated herein by reference as “Exhibit A.”

6. The Final Claims Report is broken down into two sections: Part A of the Report consists of all claims by non-guaranty association claimants, and Part B consists of all claims by guaranty association claimants. Part A of the report reflects that 8 non-guaranty association claims were filed with an aggregate claim amount of \$314,647.52, of which the total amount recommended by the Receiver to be paid is \$0. Part B of the report reflects that 2 guaranty association claims were filed with an aggregate claim amount of \$4,165,668.81, of which the total amount recommended by the Receiver to be paid is \$652,108.46.

7. With the approval of the Receiver’s Final Claims Report, the Receiver is now in the position to make a final distribution of receivership assets. Said assets will be distributed to claimants in Classes 1 -2 in accordance with the Claims Distribution Report dated June 13, 2014. The Claims Distribution Report is attached hereto and incorporated herein by reference as “Exhibit B.”

8. The Receiver has compiled a Distribution Accounting Statement—*Projected for a June 2014 Distribution*, (the “*Distribution Accounting*”). As shown in the *Distribution Accounting*, the Receiver is prepared to make a final distribution of \$591,447.46 to all claimants in Classes 1-2 which constitutes 100% of the amount recommended in Class 1 and 91.499% of the amount recommended in Class 2. The calculated distribution percentage takes into account the funds previously disbursed as early access funds. The final pro-rata calculation and the amount distributed

may have a slight variance due to rounding at the time of check processing. The *Distribution Accounting* is attached hereto and incorporated herein by reference as “Composite Exhibit C.”

9. The Receiver recommends that the Final Claims Report, Claims Distribution Report, and Distribution Accounting be approved.

10. In order to assure the validity of claim assignments, to assure that the processing of assignments does not create an undue burden on estate resources, and to assure that assignment decisions are made using the best information available, the Receiver does not recognize or accept any assignment of claim by the claimant of record unless the following criteria are met:

A. A distribution petition has not been filed with this Court;

B. The Receiver has been provided with a properly executed and notarized assignment claim agreement entered into between the parties; and

C. The Receiver has been provided with a properly executed and notarized Receiver’s Assignment of Claim Change Form and required supporting documentation.

11. The Receiver’s Assignment of Claim Change Form shall contain an acknowledgement by the claimant or someone authorized to act on behalf of the claimant, that:

A. The claimant is aware that financial information regarding claims distributions and payments published on the Receiver’s website or otherwise available can assist the claimant in making an independent and informed decision regarding the sale of the claim;

B. The claimant understands that the purchase price being offered in exchange for the assignment may differ from the amount ultimately distributed in the receivership proceeding with respect to the claim;

C. It is the claimant’s intent to sell their claim and have the Receiver’s records be permanently changed to reflect the new owner; and

D. The claimant understands that they will no longer have any title, interest, or rights to the claim including future mailings and distributions if they occur.

12. In an ongoing effort to maintain accuracy and efficiency, the Receiver proactively works to update its records to reflect change of address information for interested parties (e.g. agents, claimants, creditors, policyholders, subscribers) before mailing notifications and distribution checks. The Receiver has access to databases and other publicly available information which provide updated address information. The Receiver requests the authority to search for change of address information when applicable and to use the change of address information for future mailings without further direction of this Court.

13. Despite its best efforts, the Receiver is not always able to distribute funds to every claimant when funds are ready for distribution due to either bad addresses or W-9 issues. The Receiver recommends that the unclaimed funds be transferred to the unclaimed property unit(s) of the state(s) reflected in the claimants' last address of record in the Receiver's files.

WHEREFORE, the Receiver moves this Honorable Court for entry of an Order:

A. Approving and adopting the Receiver's Final Claims Report, Claims Distribution Report and Distribution Accounting Statement;

B. Directing the Receiver to make the above-referenced distribution to the claimants in Class 1 and Class 2 in this receivership;

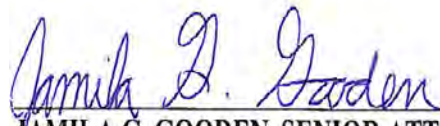

C. Approving the Receiver's procedure for processing claim assignments;

D. Authorizing the Receiver to update its records to incorporate change of address information for an interested individual/entity (e.g. agent, claimant, creditor, policyholder, subscriber) if the Receiver determines that there has been a change of address for an interested individual/entity and authorizing the Receiver to use the change of address information for future

mailings; and

E. Authorizing the Receiver to transfer unclaimed funds to the unclaimed property unit(s) of the state(s) reflected in the claimants' last address of record in the Receiver's files.

RESPECTFULLY SUBMITTED this the 19th day of June, 2014.
