

**IN THE CIRCUIT COURT OF THE SECOND JUDICIAL CIRCUIT,
IN AND FOR LEON COUNTY, FLORIDA**

In re: the Receivership of
Universal Health Care Insurance Company, Inc.,
a Florida corporation,

CASE NO.: 2013 CA 00358

**THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES' MOTION FOR ORDER
APPROVING METHODOLOGY & PLAN FOR CALCULATING
CLASS 10 INTEREST CLAIMS**

The Florida Department of Financial Services, Division of Rehabilitation and Liquidation, as Receiver for Universal Health Care Insurance Company, Inc. ("UHCIC"), by and through undersigned counsel, hereby files this *Motion for Order Approving Methodology & Plan for Calculating Class 10 Interest Claims* and as good grounds therefor states the following:

1. On March 22, 2013, the Florida Department of Financial Services was appointed Receiver of Universal Health Care Insurance Company, Inc. ("UHCIC") by Order of this Court. UHCIC was ordered into liquidation effective April 1, 2013.

2. Pursuant to section 631.021(1), Florida Statutes, this Court has jurisdiction over the UHCIC receivership and is authorized to enter all necessary and/or proper orders to carry out the purpose of the Florida Insurers Rehabilitation and Liquidation Act, part I, chapter 631, Florida Statutes.

3. On November 10, 2016, the Department sought approval for, and on November 15, 2016, the Court granted, the Department's Amended Application to disburse \$5,000,000 to the National Organization of Life and Health Insurance Guaranty Association as an Early Access ("NOLHGA") disbursement authorized by section 631.397, Florida Statutes.

4. **First Distribution:** On June 25, 2018, the Department sought approval for, and the Court granted, the Department's First Final Claims Report and its application to make a

distribution to claimants whose claims were evaluated and reported to the Court in the Department's First Interim Claims Report and whose objections were resolved as of the date of the filing of the application.¹ The Department distributed approximately \$24,819,539.02 to those claimants, which included over 3,000 non- guaranty association claimants in Classes 2, 5, 6, 7 and 8. This distribution represented a 100% distribution of the recommended claim amount for these claims.

5. On October 10, 2018, the Department sought approval for, and on October 19, 2018, the Court granted, the Department's Amended Application to disburse \$2,574,365.72² to NOLHGA as an Early Access disbursement authorized by section 631.397, Florida Statutes.

6. **Second Distribution:** On January 3, 2019, the Department sought approval for, and the Court granted, the Department's Second Final Claims Report and its application to make a second distribution to claimants whose claims were evaluated and whose objections were resolved as of the date of the filing of the application. The Department distributed approximately \$2,764,388.04 to 128 non- guaranty association Class 2 and Class 8 claimants. This distribution represented a 100% distribution of the recommended claim amount on these claims.

7. **Third Distribution:** On February 17, 2021, the Department sought approval for, and on February 18, 2021, the Court granted, the Department's Third Final Claims Report and its application to make a third distribution to claimants whose claims were evaluated and whose objections were resolved as of the date of the filing of the application. The Department distributed approximately \$18,563,455.17 to 4 claimants in Classes 1, 2, and 9. After accounting for the \$8,582,216.00 dollars previously disbursed to NOLHGA as early access funds and a statutory

² The guaranty association in South Carolina withdrew its claim from the NOLHGA omnibus claim and returned the early access funds allocated to it.

deposit release to a NOLHGA member, the total amount distributed to these claimants was \$27,145,671.17. This distribution represented a 100% distribution of the recommended claim amount on these claims.

8. **Fourth Distribution:** On February 10, 2022, the Department sought approval for, and on February 14, 2022, the Court granted, the Department's Fourth Final Claims Report and its application to make a distribution to 1 Class 2 claimant. The Department distributed \$139,344.00 to the claimant and this distribution represented a 100% distribution of the recommended claim amount.

9. Now that the Department has distributed 100% of the amounts recommended and allowed on claims in Classes 1 through 9, the Department has determined that there are sufficient funds in the UHCIC receivership to pay interest on these claims pursuant to the requirements of section 631.271(1)(j), Florida Statutes.³ A copy of the UHCIC Statement of Affairs as of March 31, 2022, is attached hereto as **Exhibit A**.

10. Section 631.271(1)(j), Florida Statutes (2012), reads as follows:

631.271 Priority of claims.—

(1) The priority of distribution of claims from the insurer's estate shall be in accordance with the order in which each class of claims is set forth in this subsection. Every claim in each class shall be paid in full or adequate funds shall be retained for such payment before the members of the next class may receive any payment. No subclasses may be established within any class. The order of distribution of claims shall be:

.....

(j) *Class 10.*— Interest on allowed claims of Classes 1 through 9, according to the terms of a plan to pay interest on allowed claims proposed by the liquidator and approved by the receivership court.

11. Pursuant to section 631.181(2)(g), Florida Statutes (2022), upon the Department's

³ The Department's determination takes into account having adequate reserves for the expenses needed to close the UHCIC receivership and for post-receivership tasks,

motion, “the receivership court may allow alternative procedures and requirements for the filing of proofs of claim or for allowing or proving claims.” The Department proposes to consider and allow Class 10 claims as timely filed based on their derivative relationship with the allowed claims in Classes 1 through 9. These Class 10 claims will be deemed as timely filed retroactive to the date the allowed Class 1 through 9 claims were filed and these Class 10 claims will be deemed to be filed for all purposes.

12. The Department proposes to calculate the interest earned on the allowed Class 1 through 9 claims using the requirements of section 631.271(1)(j), Florida Statutes, as amended by the Florida Legislature in 2017. Unlike the version of the statute in effect in 2013 when UHCIC was ordered into liquidation, the version signed into law in 2017 provides clear requirements for the start and end dates for interest accrual and for the interest rates to be used in the interest calculation. Section 631.271(1)(j), Florida Statutes (2017), reads:

Interest on allowed claims of Classes 1 through 9. The rate of interest payable on an allowed claim must accrue from the date the court enters the order of liquidation until such time as the receivership court approves the distribution. The interest rate must be calculated in accordance with s. 55.03.

Section 631.271(1)(j) has not been further amended.

13. Pursuant to the provisions of section 631.271(1)(j), as amended in 2017, the Department proposes to implement the statutory requirements to the circumstances presented in the UHCIC receivership estate as follows:

a. Interest on allowed Class 1 through 9 claims began to accrue on April 1, 2013, the date the Liquidation Order was entered, and runs through and includes the date of each order approving the Partial Distributions.

	Interest Accrual Start Date	Interest Accrual End Date
First Distribution	4/1/2013	6/25/2018
Second Distribution	4/1/2013	1/3/2019
Third Distribution	4/1/2013	2/18/2021
Fourth Distribution	4/1/2013	2/14/2022

b. The value of the NOLHGA claim as reflected in the Distribution Accounting for the Third Distribution will be adjusted for each pre-distribution transfer of funds from the UHCIC receivership estate to NOLHGA or a participating NOLHGA member. The adjustment will be equal to the amount of the pre-distribution transfer.

c. The initial rate of interest will be the rate set by the Chief Financial Officer pursuant to section 55.03, Florida Statutes, that corresponds with the quarter the Liquidation Order was entered. The rate of interest will be adjusted on January 1 of each year in accordance with the rate set by the Chief Financial Officer.

Effective Date	Rate Per Annum
4/1/2013	4.75%
1/1/2014	4.75%
1/1/2015	4.75%
1/1/2016	4.75%
1/1/2017	4.97%
1/1/2018	5.53%
1/1/2019	6.33%
1/1/2020	6.83%
1/1/2021	4.81%
1/1/2022	4.25%

14. Based on the methodology described above, the approximate interest payment recommended to claimants in Classes 1-9 is \$16,555,680.50. The methodology and calculation of the aggregate interest amount is attached hereto and incorporated herein as **Composite Exhibit B**.

15. If the Court approves the methodology described in this Motion, the Department will prepare and file an interim claims report with the Court (a) specifying the Department's recommendations on the Class 10 interest claims and (b) outlining the Department's plans to (i) provide notice to each claimant of the amount recommended on their interest claim and (ii) resolve any objections received to the Department's recommendation pursuant to the requirements of section 631.182, Florida Statutes.

16. The Department believes that using the described methodology is in the best interests of the UHCIC receivership estate and therefore recommends that this Motion be granted, and the process proposed above be authorized and approved.

WHEREFORE, the Department requests that this Court enter an Order Approving the Department's Methodology & Plan for Calculating Class 10 Interest Claims.

Respectfully submitted this 16th day of August 2022.

Universal Health Care Insurance Company, Inc in Liquidation Notes to Financial Statements

Dated March 31, 2022

1. **Estate Information.** Universal Health Care Insurance Company, Inc. is a health insurer, based in Tampa, FL and was placed in rehabilitation on March 22, 2013. It was subsequently placed in liquidation on April 1, 2013.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on a modified cash basis of accounting using a fiscal year of July 1, 2021 through June 30, 2022. The assets are stated at their estimated realizable values, while the liabilities are stated at their gross filed amounts and are periodically adjusted as evaluated, adjudicated and/or paid. Interest is accrued and reinsurance receivables are only posted when billed to reinsurers. In addition, the statements do not provide accruals for all future administrative expenses to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: The Receiver's operating account held at Wells Fargo and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".

"Pooled Cash Reserved for Distributions" is a segregated amount of Pooled Cash that represents the remaining amount of Pooled Cash reserved for a court authorized distribution(s) that has not been released or reissued.

5. **Distribution Liability.** Represents the remaining liability for a court authorized distribution(s) that has not been released because the Receiver does not have a good mailing address for the claimant or does not have a completed W9 from the claimant.
6. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, un-adjudicated, and have not been reduced by any early access payments from the Florida Receiver. Claim liability numbers are based upon the most current available information and documentation provided to the Receiver from both internal and external sources.
 - The First Interim Claims Report was approved on May 6, 2016. The deadline to file an objection was July 11, 2016. One hundred fifty-seven objections were filed and resolved.
 - The Second Interim Claims Report was approved on May 24, 2018. The deadline to file an objection was August 10, 2018. Ten objections were filed and resolved.
 - The Third Interim Claims Report was approved on September 5, 2018. The deadline to file an objection was October 31, 2018. One objection was filed and resolved.
 - The Fourth Interim Claims Report was approved on January 7, 2019. The deadline to file an objection was March 20, 2019. No objections were filed.
 - A 100% claims distribution for certain Class 2 through 8 was authorized on December 13, 2017.
 - A Second 100% Claims distribution for certain Class 2 claims and all Class 8 claims was authorized on January 3, 2019.
 - A Third 100% Claims distribution for a certain Class 1, Class 2 and Class 9 claims was authorized on February 18, 2021.
 - A Fourth 100% Claims distribution for a certain Class 2 claim was authorized on February 14, 2022.

and Liquidation**

Dated March 31, 2022

7. **Interest Distributions.** For companies placed into receivership on or after July 1, 2012, Section 631.271, Florida Statutes authorizes the payment of interest on claims in Classes 1-9 prior to making any payment on shareholder claims. As of 12/31/18, the Receiver projects having sufficient assets to pay partial interest on allowed claims in Classes 1-9. Accordingly, the Receiver has estimated and recorded an interest reserve for the Class 1-9 claims approved to date for distribution. An interest reserve for other allowed claims in Classes 1-9 will be estimated and recorded after these claims have been adjudicated and approved for distribution by the receivership court.
8. **Federal Priority.** The federal government has taken the position that pursuant to 31 U.S.C.A. 3713 a federal government claim must be paid first, when a debtor to the United States is insolvent. The federal government has also taken the position that it is not subject to state insurance liquidation claim's proceedings deadlines. To establish finality, shield itself from potential liability, and ultimately discharge the estate, the Receiver will request a federal release from the U.S. Department of Justice.
9. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
10. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.

Estimate of Gross Accrued Interest for Claims in First UHCIC Distribution

Page | 2

Notes:

- (1) Pursuant to s. 631.271(1)(j), Florida Statutes, interest accrues from 4/1/2013, the date the Liquidation Order entered by the Receivership Court became effective, through and including the date the Court approves the distribution of the claims in Classes 1-9.
- (2) Interest rates are established by the Chief Financial Officer pursuant to s. 55.03, Florida Statutes and are published by the Department of Financial Services.
- (3) Interest rate is adjusted on January 1 of each calendar year.
- (4) Simple Interest Calculation:
 - Simple Interest** = Principal x Interest Rate x Time
 - Principal** = Claims Value
 - Interest Rate** = % per annum
 - Time** = Days/365 or Days/366 in a leap year
