NOTICE TO MEDICAL PROVIDERS – June 23, 2016

UNIVERSAL HEALTH CARE INSURANCE COMPANY, INC., (UHCIC) in receivership

If you have received a Notice of Determination, please refer to the "Amount Recommended Claimant" and "Class" on your notice. Class 2 claimants can anticipate being paid in full (100%) by the Receiver. Although a payment date has not yet been scheduled, the Receiver will seek to make a distribution to Class 2 claimants prior to payment of the remaining classes.

You may be contacted by outside third parties who may offer to purchase your claim for a discounted amount in exchange for the transfer of your rights to a distribution. The Receiver is not in any way affiliated with third party purchasers of claims and cannot advise or counsel individual claimants as to whether they should sell their claim for less than the full amount recommended or wait for the distribution. The Receiver is providing you with this Notice so that you can make an informed decision should you be contacted by a third party who wants to buy the rights to your claim for less than full value.

Should you have any questions regarding this information or regarding the claim process, please visit our website at www.myfloridacfo.com/division/receiver or call Consumer Services at (800 882-3054 (Florida calls only or (850) 413-3132 (if outside of Florida).
