Notes to Financial Statements**

Dated December 31, 2020

1. **Estate Information.** Sunshine State Insurance Co. was a property and casualty company domiciled in Florida and placed in liquidation on June 3, 2014.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on a modified cash basis of accounting using a fiscal year of July 1, 2020 through June 30, 2021. The assets are stated at their estimated realizable values, while the liabilities are stated at their gross filed amounts and are periodically adjusted as evaluated, adjudicated and/or paid. Interest is accrued and reinsurance receivables are only posted when billed to reinsurers. In addition, the statements do not provide accruals for all future administrative expenses to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: The Receiver's operating account held at Wells Fargo and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".
5. **Reinsurance.** Reinsurance receivables have resulted from losses that have been paid and billed to the reinsurer(s). The financial statements reflect the gross amount of the billed losses less an allowance for any receivable(s) currently considered to be uncollectible. The receivable amount may include paid losses that are ceded to one or more reinsurance contracts being collected on behalf of the Receiver by an intermediary or the Receiver's staff.
6. **Fixed Assets.** Assets of a durable nature such as buildings, furniture, computer equipment, and machinery. The property in this estate consists of electronic equipment such as computers, servers, phones, etc. and its' estimated value is based on prices of similar equipment from the State of Florida's Public Auction site.
7. **Advance to Guaranty Association(s).** Represents funds advanced to guaranty associations for the payment of covered claims and expenses. The guaranty association is obligated to promptly return any or all of these funds if the Receiver determines that repayment of claims of equal or superior priority is necessary. This item includes checks that the Receiver allowed to clear post-liquidation in the amount of \$1,113,906.83 that were court approved as early access by order entered May 21, 2015.
8. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, un-adjudicated, and have not been reduced by any early access payments from the Florida Receiver. Claim liability numbers are based upon the most current available information and documentation provided to the Receiver from both internal and external sources.
 - The First Interim Claims Report was approved on March 13, 2015. One Class 2 claim was reported to Court and no objection was filed.
 - The Second Interim Claims Report was approved on July 31, 2017. Claims in Class 2 and Class 3 were reported to Court. The deadline to file an objection was October 16, 2017. Three objections were filed and resolved.
9. **Interest Distributions.** For companies placed into receivership on or after July 1, 2012, Section 631.271, Florida Statutes authorizes the payment of interest on claims in Classes 1-9 prior to making any payment on shareholder claims. At this time, the Receiver does not anticipate having sufficient assets in this estate to pay all claims for Classes 1-9. Accordingly, this statement does not reflect an interest reserve for Classes 1-9 allowed claims.
10. **Federal Priority.** The federal government has taken the position that pursuant to 31 U.S.C.A. 3713 a federal government claim must be paid first, when a debtor to the United States is insolvent. The federal government has also taken the position that it is not subject to state insurance liquidation claim's proceedings deadlines. To establish finality, shield itself from potential liability, and ultimately discharge the estate, the Receiver will request a federal release from the U.S. Department of Justice.

and Liquidation

Notes to Financial Statements**

Dated December 31, 2020

11. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
12. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
