**Physicians United Plan, Inc., in receivership**

**IMPORTANT NOTICE TO MEDICAL PROVIDERS**

**Regarding the June 9, 2015 Claims Filing Deadline**

In 2014, Physicians United Plan, Inc. (PUP) was placed into court ordered receivership. The Florida Department of Financial Services is the court appointed Receiver.

You have been identified as a potential medical provider claimant in the PUP receivership. This notice is intended to provide updated information regarding the submission of your medical claim(s).

On May 14, 2015, the Receiver obtained Court approval to waive the requirement for you to submit a proof of claim form in the PUP receivership. It also waives the requirement to submit your medical claims by the June 9, 2015 deadline.

According to the process approved by the Court, the deadline for submitting your medical claim(s) will be established and communicated to you after the Receiver has procured the services of a Third Party Administrator (TPA). The next notice you receive will provide instructions on how to file your medical claim(s) with the TPA and will include a submission deadline which will be no less than sixty (60) days from the date of the notice.

If you would like to read more about the medical claims process approved by the Court, or check for status updates, you can find the information in the Receiver's website at:
