**Notes to Financial Statements**  
**Dated September 30, 2019**

1. **Estate Information.** Physicians United Plan Inc. was a health maintenance organization domiciled in Florida and placed in liquidation on July 1, 2014.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on a modified cash basis of accounting using a fiscal year of July 1, 2019 through June 30, 2020. The assets are stated at their estimated realizable values, while the liabilities are stated at their gross filed amounts and are periodically adjusted as evaluated, adjudicated and/or paid. Interest is accrued and reinsurance receivables are only posted when billed to reinsurers. In addition, the statements do not provide accruals for all future administrative expenses to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: The Receiver's operating account held at Wells Fargo and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".
5. **Special Purpose Investment Account (SPIA) – Restricted.** Represents funds that are tied to risk sharing agreements with medical providers and are subject to final reconciliation.
6. **Accounts Receivable – Other Receivables.** These account receivables represent claims payment advances (deposits) to medical providers and Management Services Organization (MSO) risk sharing receivables. The risk sharing receivables have been adjusted to their final reconciliation amount. These receivables are offset by a 100% allowance as the timing and the certainty of their collectability are currently indeterminate.
7. **Allowance –Other Receivables.** An estimate of uncollectible amounts for certain assets.
8. **Fixed Assets.** Assets of a durable nature such as buildings, furniture, computer equipment, and machinery. The property in this estate consists of electronic equipment such as computers, servers, phones, etc. and its' estimated value is based on prices of similar equipment from the State of Florida's Public Auction site.
9. **Secured Claims.** Secured claims represent liabilities for such items as collateral for bonds or LOC's, amounts for which the ownership is in dispute with other entities, amounts subject to court ordered distribution and other such items. This secured claim represents funds that are tied to a risk sharing agreement with a medical provider and is subject to final reconciliation.
10. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, un-adjudicated, and have not been reduced by any early access payments from the Florida Receiver. Claim liability numbers are based upon the most current available information and documentation provided to the Receiver from both internal and external sources.
  - The First Interim Claims Report was approved on September 22, 2017. The deadline to file an objection was December 18, 2017. Twenty-five objections have been filed and resolved.
  - The Second Interim Claims Report was approved on June 22, 2018. The deadline to file an objection was September 21, 2018 and no objections were filed.

**Florida Department of Financial Services, Division of Rehabilitation  
and Liquidation**  
**Physicians United Plan Inc. in Liquidation**  
**Notes to Financial Statements**  
**Dated September 30, 2019**

- The Fourth Interim Claims Report was approved on March 18, 2019. The deadline to file an objection was June 10, 2019. Four objections were filed and remain pending with an estimated net claimed value of \$1,917,683.98.
- The Fifth Interim Claims Report was approved on August 28, 2019. The deadline to file an objection is November 8, 2019.

11. **Interest Distributions.** For companies placed into receivership on or after July 1, 2012, Section 631.271, Florida Statutes authorizes the payment of interest on claims in Classes 1-9 prior to making any payment on shareholder claims. At this time, the Receiver does not anticipate having sufficient assets in this estate to pay all claims for Classes 1-9. Accordingly, this statement does not reflect an interest reserve for Classes 1-9 allowed claims.
12. **Federal Priority.** Pursuant to 31 U.S.C.A. § 3713, a federal government claim must be paid first, when a debtor to the United States is insolvent. The federal government has taken the position that it is not subject to state insurance liquidation proceeding's claims filing deadlines. To establish finality, shield itself from potential liability, and ultimately discharge the estate, the Receiver requested a federal release from the U.S. Department of Justice (DOJ) on October 24, 2017.
13. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
14. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
