

IN THE CIRCUIT COURT OF THE
SECOND JUDICIAL CIRCUIT IN AND
FOR LEON COUNTY, FLORIDA

In Re: The Receivership of
Florida Specialty Insurance Company,
a Florida corporation.

CASE NO. 2019 CA 002328

**THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES, DIVISION OF
REHABILITATION AND LIQUIDATION'S APPLICATION FOR DISBURSEMENT OF
FUNDS TO THE FLORIDA INSURANCE GUARANTY ASSOCIATION**

The Florida Department of Financial Services, Division of Rehabilitation and Liquidation, as Receiver of Florida Specialty Insurance Company (hereinafter "The Department"), moves this Honorable Court for an entry of an Order authorizing the Department to disburse funds in the amount of TEN MILLION DOLLARS AND NO CENTS (\$10,000,000.00) to the Florida Insurance Guaranty Association (hereinafter "FIGA"). These funds are hereinafter referred to as early access funds. In support of its application, the Department states:

1. Section 631.397, Florida Statutes, provides in substance that the Department may disburse assets out of such insurer's marshaled assets, as such assets become available, to each guaranty association entitled thereto.

2. FIGA is one of the guaranty associations contemplated by Section 631.397, Florida Statutes.

3. In accordance with Section 631.397 and as ordered by the Court, the Department has previously distributed three payments totaling FORTY-NINE MILLION DOLLARS AND NO CENTS (\$49,000,000.00) to FIGA as early access funds.

4. FIGA will use the funds released from the Florida Specialty Insurance Company (hereinafter "Florida Specialty") estate to its current administrative expenses and the covered

claims of policyholders and third parties. In compliance with Section 631.397(2)(d), Florida Statutes, The Department and FIGA have executed an Early Access Agreement (“Agreement”). The Agreement provides in substance that FIGA shall return such early access distributions as may be required to pay claims of secured creditors and claims falling within the priority scheme established by part I of Chapter 631, Florida Statutes. Further, FIGA will not be entitled to share in the funds ultimately distributed from the Florida Specialty estate until such allocated distributions to which the FIGA is otherwise entitled exceed the early access distributions. The Early Access Agreement is attached hereto as **EXHIBIT A**.

5. The Department represents that in accord with Section 631.397(2)(a), Florida Statutes, there are sufficient assets in the Florida Specialty estate to permit the proposed early access to the FIGA, while reserving amounts for the payment of expenses of administration, the payment of claims of secured creditors’ claims to the extent of the value of the security held, and the payment of claims falling within the priorities established by Part I of Chapter 631, Florida Statutes. See Financial Statement as of June 30, 2021 attached as **EXHIBIT B** to this application.

6. In accord with Section 631.397(2)(b), Florida Statutes, if additional assets become available in an amount sufficient to allow further early access distribution, the Department will seek additional authority to disburse same.

7. The Department represents that the proposed early access distribution provides for the equitable allocation of disbursements to each association entitled thereto, consistent with Section 631.397(2)(c), Florida Statutes.

8. FIGA regularly reports to the Department on its activities in the Florida Specialty estate. These reports include all the information required by section 631.397 (2)(d), Florida Statutes.

WHEREFORE, the Department respectfully requests this Court enter an Order approving the disbursement of early access funds in the amount of TEN MILLION DOLLARS AND NO CENTS (\$10,000,000.00) to the Florida Insurance Guaranty Association.

Respectfully submitted this 30 day of September 2021.

EARLY ACCESS AGREEMENT

THIS EARLY ACCESS AGREEMENT is entered into on this 14th day of July, 2020, between the **Florida Department of Financial Services, as Receiver of Florida Specialty Insurance Company, ("Department")** and the **Florida Insurance Guaranty Association ("Guaranty Association")**.

WHEREAS, Florida Specialty Insurance Company, ("Florida Specialty"), was a Florida domiciled corporation previously authorized to transact an insurance business in the State of Florida.

WHEREAS, on October 2, 2019, the Second Judicial Circuit Court in and for Leon County, Florida, (the "Court") entered its ***ORDER OF LIQUIDATION, INJUNCTION AND NOTICE OF AUTOMATIC STAY***.

WHEREAS, Section 631.397(1), Florida Statutes, provides, in relevant part, that the Department may apply to this Court for authorization to "disburse assets out of such insurer's marshaled assets, as such assets become available, to each association entitled thereto." ("Early Access"); and

WHEREAS, the *Guaranty Association* has requested an advance of funds from the Florida Specialty Receivership estate in order to fulfill its obligations pursuant to Part II of Chapter 631, Florida Statutes. In support of its request, the Guaranty Association has submitted to the Department a summary of the claims payments and reserves made by or on behalf of the *Guaranty Association* and a summary of the Guaranty Association's administrative expenses; and

WHEREAS, the Department has reviewed the documents submitted by the Guaranty Association. Based upon this review, the Department has determined that the

Guaranty Association has adequately demonstrated its need for an early access distribution of funds from the receivership estate; and

WHEREAS, the Department and the Guaranty Association acknowledge and agree that neither the Department's review of the Guaranty Association's documentation for purposes of early access distribution(s) nor this Early Access Agreement constitute an evaluation of or recommendation on any claim which the Guaranty Association may be entitled to under Section 631.271, Florida Statutes; and

WHEREAS, the Department has determined that it has sufficient liquid funds available to make an early access distribution to the Guaranty Association and that the total sums of all early access distributions, to include this distribution, is less than the Guaranty Association's incurred claims and administrative expenses; and

WHEREAS, the Department has applied or will apply to the Court for an order permitting the Department to make an early access distribution to the Guaranty Association pursuant to Section 631.397, Florida Statutes, for the partial payment of claims and administrative expenses.

NOW THEREFORE, the Department and the Guaranty Association agree as follows:

1. The Guaranty Association will respond in good faith to requests from the Department for information, files and documents. The Department will be permitted full access to the books, records, and files of the Guaranty Association pertaining to the handling and payment of covered claims and administrative expenses incurred by the Guaranty Association in fulfilling its obligations pursuant to Part II, Chapter 631, Florida Statutes.

2. The Guaranty Association will make reports to the Department no less frequently than quarterly, through Uniform Data Standards ("UDS") or in a form acceptable to the Department, disclosing the status of the following items received, held or processed during the reporting period: current open claims count, open claims reserves, claim payments, salvage or subrogation recoveries, if any, and such other items as may be reasonably required by the Department. The reports shall be sent to the Department electrically via Secure UDS ("SUDS") server housed by the NCIGF or mailed to the Department at Florida Department of Financial Services, Division of Rehabilitation and Liquidation, address 325 John Knox Road, Atrium Building, Suite 101, Tallahassee, Florida 32303, or such other location designated by the Department.

3. The Guaranty Association will utilize any payment received pursuant to this Agreement solely for the payment of covered claims as defined by Section 631.271, and Part II, Chapter 631, Florida Statutes, and for the payment of claims handling or administrative expenses as defined by Section 631.271(1)(a)(2), Florida Statutes, relating to the Receivership of Florida Specialty.

4. The Guaranty Association will establish and maintain separate ledger accounts for the receipt of and payments from any funds received pursuant to this Agreement.

5. The Guaranty Association agrees to promptly return to the Department all or any portion of any early access disbursements acquired by the Guaranty Association pursuant to this Agreement, with any income earned thereon, if the Department determines, at any time, that such repayment is necessary to pay claims or expenses which the Department determines to be of equal or superior priority. In the event the

Guaranty Association is required to repay to the Department any early access disbursements, the Guaranty Association will pay the Department in cash or other liquid assets as may be acceptable to the Department.

6. Pursuant to Section 631.271, Florida Statutes, the Guaranty Association understands and agrees that any distribution made pursuant to this Agreement constitutes partial payment on any claim which the Guaranty Association may have in the Florida Specialty Receivership and that it will not share in any final distribution of assets from the Florida Specialty Receivership until claimants of an equal priority receive an equal pro rata distribution on their claims.

7. Prior to the final distribution of the assets of Florida Specialty, the Department is authorized to audit the financial accounts, records and procedures of the Guaranty Association with respect to the receipt of assets or the payment of covered claims. The Guaranty Association will, within 30 days after receipt of a written request from the Department, return to the Department any early access disbursements made pursuant to this Agreement which are in excess of the amount ultimately determined by the Department to be due the Guaranty Association as a final distribution of the assets of Florida Specialty. The Department and the Guaranty Association shall cooperate in making arrangements for the destruction or other final disposition of the information, files and documents received by the Guaranty Association from Florida Specialty or the Department.

8. The Department hereby agrees to distribute to the Guaranty Association the amount set out in the pleading to which this agreement is attached for payment of covered claims and claims handling or administrative expenses as contemplated in Part

II, Chapter 631, Florida Statutes. Any and all interest that the Guaranty Association earns on funds so distributed, shall also be considered early access distributions for purposes of this Agreement.

9. The Department and the Guaranty Association agree that any and all distributions pursuant to this Agreement constitute an equitable allocation of the marshaled assets of the Florida Specialty Receivership as contemplated by Section 631.397, Florida Statutes.

10. This Early Access Agreement shall be construed in accordance with Florida law. Any legal action by either party to enforce or interpret this Agreement or the parties' obligations under this Agreement shall be commenced, litigated, and adjudicated in and by the Second Judicial Circuit Court, in and for Leon County, Florida.

11. Any notice required to be given to the parties shall be given by regular United States mail, postage prepaid, addressed as follows:

12. This Agreement merges all prior offers and agreements of every kind and expresses the full and final intent of the parties and shall be effective only upon Court approval. This Agreement shall not be modified, except by an instrument in writing, executed by the authorized representatives of the parties, and subject to Court approval.

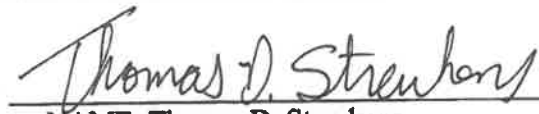

13. This Agreement supersedes all earlier agreements and will apply to all future Early Access Distributions to the Guaranty Fund. It will be attached to all future early access motions filed by the Department.

Florida Specialty Insurance Company in Liquidation Notes to Financial Statements

Dated June 30, 2021

1. **Estate Information.** Florida Specialty Insurance Company was a property and casualty organization domiciled in Florida placed in liquidation on October 2, 2019.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on a modified cash basis of accounting using a fiscal year of July 1, 2020 through June 30, 2021. The assets are stated at their estimated realizable values, while the liabilities are stated at their gross filed amounts and are periodically adjusted as evaluated, adjudicated and/or paid. Interest is accrued and reinsurance receivables are only posted when billed to reinsurers. In addition, the statements do not provide accruals for all future administrative expenses to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: The Receiver's operating account held at Wells Fargo and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".

"Pooled Cash Reserved for Unclaimed Property" is a segregated amount of Pooled Cash that represents the remaining amount of Pooled Cash reserved for voided checks after a distribution account is closed and reconciled for outstanding checks. These amounts will be sent to the Bureau of Unclaimed Property upon court authorization
5. **Short Term Investments - Restricted.** The investments are stated at fair value, which approximates market value. Market values are those provided by the depository trust institution at the balance sheet date. These investments consist of various accounts Suntrust Bank that are restricted pursuant to reinsurance trust agreements that will be resolved as the receivership proceeds.
6. **Reinsurance.** Reinsurance receivables have resulted from losses that have been paid and billed to the reinsurer(s). The financial statements reflect the gross amount of the billed losses less an allowance for any receivable(s) currently considered to be uncollectible. The receivable amount may include paid losses that are ceded to one or more reinsurance contracts being collected on behalf of the Receiver by an intermediary or the Receiver's staff.
7. **Advance to Guaranty Association(s).** Represents funds advanced to guaranty associations for the payment of covered claims and expenses. The guaranty association is obligated to promptly return any or all of these funds if the Receiver determines that repayment of claims of equal or superior priority is necessary.
8. **Unclaimed Property.** Consists of funds that are considered unclaimed pursuant to Chapter 717, Florida Statutes, and are due to the Unclaimed Property section of the State of Florida. For this estate this amount represents the final reconciled amount of voided return premium checks after the account is closed.
9. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, un-adjudicated, and have not been reduced by any early access payments from the Florida Receiver. Claim liability numbers are based upon the most current available information and documentation provided to the Receiver from both internal and external sources.
 - Proof of Claims forms were mailed and the claims filing deadline is October 2, 2020.
10. **Interest Distributions.** For companies placed into receivership on or after July 1, 2012, Section 631.271, Florida Statutes authorizes the payment of interest on claims in Classes 1-9 prior to making any payment on shareholder claims. At this time, the Receiver does not anticipate having sufficient assets in this estate to pay all claims for Classes 1-9. Accordingly, this statement does not reflect an interest reserve for Classes 1-9 allowed claims.

**Florida Department of Financial Services, Division of Rehabilitation
and Liquidation**

**Florida Specialty Insurance Company in Liquidation
Notes to Financial Statements**

Dated June 30, 2021

11. **Federal Priority.** The federal government has taken the position that pursuant to 31 U.S.C.A. 3713 a federal government claim must be paid first, when a debtor to the United States is insolvent. The federal government has also taken the position that it is not subject to state insurance liquidation claim's proceedings deadlines. To establish finality, shield itself from potential liability, and ultimately discharge the estate, the Receiver will request a federal release from the U.S. Department of Justice.
12. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
13. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
