**Florida Department of Financial Services, Division of Rehabilitation
and Liquidation
Avatar Property & Casualty Insurance Company in Liquidation
Notes to Financial Statements**

Dated December 31, 2022

1. **Estate Information.** Avatar Property & Casualty Insurance Company was a property and casualty organization domiciled in Florida that was placed in liquidation on March 14, 2022.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on a modified cash basis of accounting using a fiscal year of July 1, 2022 through June 30, 2023. Assets are stated at their estimated realizable values, while the liabilities are stated at their gross filed amounts and are periodically adjusted as evaluated, adjudicated and/or paid. The statements do **not** provide accruals for future administrative expenses to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Short Term Investments.** Short term investments are comprised of fixed income securities with maturities of one year or less and money market accounts.
5. **Long Term Investments.** Long term investments are comprised of government and corporate fixed income securities. Long term investments are stated at market values provided by the depository trust institutions in possession of the securities as of the balance sheet date.
6. **Common Stocks.** Common stocks are comprised of publicly traded securities and are stated at market value.
7. **Federal Priority.** The federal government has taken the position that pursuant to 31 U.S.C.A. 3713 a federal government claim must be paid first, when a debtor to the United States is insolvent. The federal government has also taken the position that it is not subject to state insurance liquidation claim's proceeding deadlines. To establish finality, shield itself from potential liability, and ultimately discharge the estate, the Receiver will request a federal release from the U.S. Department of Justice.
8. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does **not** take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
9. **Statement of Cash Receipts and Cash Disbursements.** For reporting periods through September 30, 2022, expenditures allocated to the Company by Florida Department of Financial Services (DFS) were reported as applied to Avatar's Statutory Deposit held at DFS. These expenditures were reported on the Statement of Cash Receipts and Disbursements and as a reduction of Cash on the Statement of Affairs in the period incurred. After September 30, 2022, it was determined that the expenditures would be paid from the Avatar operating account rather than from the Statutory Deposit. The

previously recorded expenditures were removed from the December 31, 2022, Statement of Cash Receipts and Disbursements and added back to the Cash balance as they were not paid until January 2023. The amount due to DFS for the above mentioned expenditures is recorded as Accounts Payable on the Statement of Affairs at December 31, 2022.
