WOULD YOU RATHER BE LIKE JAMIE OR JORDAN?

Jamie and Jordan both begin state government jobs at age 25

From the start, Jamie invests \$100 per month into a Deferred Compensation account with a 7% average rate of return per year.

Jordan waits until age 35 to join the Deferred Compensation Plan and will have to save \$234 per month with a 7% average rate of return per year to reach Jamie's balance.

Be like Jamie, Plan Ahead!

KEY BENEFITS OF THE PLAN:

- Easy to understand fee structure and low fund expense fees
- Excellent investment options, including Fixed Accounts, Target Date Funds, numerous Mutual Funds, and a Self-Directed Brokerage Account
- Penalty-free account modification, such as contribution change, investment reallocation, and Investment Provider addition/replacement
- 457b Pre-Tax and 457b Roth payroll contributions are allowed
- Consolidate other eligible retirement accounts
- Dedicated customer service and professional investment performance oversight from the Bureau of Deferred Compensation and the Plan's Investment Providers
- Immediate vesting

457b Pre-Tax Payroll Contributions:

- Payroll contributions that lower taxable income
- Distributions taxed as income
- Penalty-free withdrawals after 31 days of separation from employment

457b Roth Payroll Contributions:

- Post-tax payroll contributions
- Qualified distributions are not included in gross income
- 457b Roth qualified distribution rules apply
