

WHAT'S IN IT FOR ME?

GIVE ME THE "WIIFM"!

Florida PALM is headed to your division/office and will impact all users! If you're reading this, check out all the exciting changes headed your way!

CLICK, CLICK, BOOM!

You will now have the ability to use your mouse to select only the items on screen that are needed. *Say goodbye to 'F' keys and keyboard maneuvering!*

SHOW YOUR SKILLS!

Florida PALM operates on Oracle PeopleSoft cloud-based technology giving State of Florida employees the skills that match other companies, both locally and worldwide! *We're increasing your value and skills!*

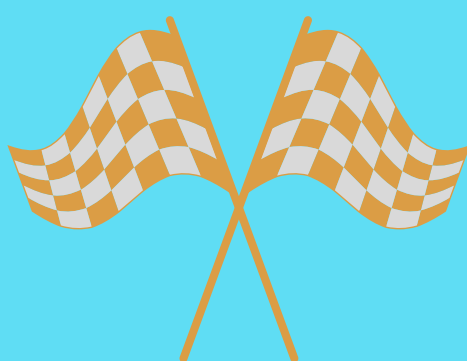

WORK SMARTER!

Florida PALM's single sign-on technology allows you to jump right into your daily responsibilities without needing a separate login and password! *You can lose that old list of FLAIR passwords!*

ONE-STOP SHOP!

Near real-time data will be available within Florida PALM! *No more using outdated numbers from multiple resources.*
