1 – FLORIDA PALM STATUS OVERVIEW

A. Agency Engagement

During the month of January, the Department completed the following:

- Provided a <u>printable resource</u> from the 'Know Your Change Impact' series, focusing on future functionality for business conducted between agencies.
- Published four resources, as requested from agencies, in the <u>Agency Exchange Library</u> to share knowledge with other agencies in areas of People, Process, Technology, Data, or Project Management.
- Conducted Thursday Task Talks to provide a forum for agencies to learn or ask about RW Tasks.
- Continued to meet with agencies for Agency Touchpoints.
- Continued focused conversations with agencies and enterprise partners in areas of specific importance and personalized support.

Risk 4 – Agencies' ability to adequately engage and participate may impact agency readiness.	Open	9	The Project will utilize one or more of the following mitigations to manage the risk: 1. Conduct monthly meetings between Readiness Coordinators and agency Change Champion Network members to discuss their internal readiness and preparation to transition to Florida PALM. 2. Conduct meetings between Project leadership and Agency Sponsors to discuss the agency's progress and any concerns, needs, or roadblocks the agency is facing in their transition activities. 3. Lead meetings and workshops designed to share timely and relevant information with agencies throughout the project lifecycle. 4. Provide tools and information (e.g., graphics and content) to support messaging and communication within the agency regarding key implementation activities and change impacts. 5. Review bimonthly agency status reports for indicators and trends relating to engagement difficulties.	Increasing	Angie Robertson

Risk 5 – The timing and efficiency of information sharing between enterprise partners and agencies and the Project could impact the success of the Project.	Open	6	 The Project will leverage existing meetings and schedule additional as needed to discuss: 1. The Project's timeline and status identifying timing for key work to be completed. 2. Projected changes to: a. enterprise systems and their potential impact on the Project. b. the Project and its potential impact on enterprise systems. 3. Progress of integration. 4. The Project will look for potential connections between the applications and Florida PALM identified during design and development and their impacts to enterprise partners. 	Increasing	Jimmy Cox		
Risk 6 – The execution of contracts and procurement activities outside of the Project may impact Florida PALM implementation and agency readiness.	Open	6	 The Project will utilize one or more of the following strategies to manage the risk: 1. Provide the Project's timeline and key Project dates essential for agency and enterprise partner readiness (e.g., milestones). 2. Engage regularly with agency and enterprise partners to share information and to report progress towards key milestone dates. 3. Request updates and status reporting on key readiness activities. 4. Provide support or information to support agency, enterprise partner, or oversight body planning or decision making or needs. 5. Continue regular meetings and develop mitigation actions should specific contracts not be executed and applications ready at Florida PALM Launch. 	Increasing	Angie Robertson

Risk 8 – Scope and timing of Build Segments may impact the Project's ability to meet Stage Gate 3 and several Critical Path Items.	Open	9	 The Project will utilize one or more of the following strategies to manage the risk: 1. Onboard additional application development staff to supplement the existing staff. 2. Hold daily build update meetings (i.e., 15-minute stand-ups) to discuss the current progress of build activities, including any delays. 3. Increase the involvement of ERP Support Services team members to speed up reviews of application development documentation. 4. Reduce the number of reviewers for each application development document. 5. Hold internal working meetings to identify additional dependencies and schedule tasks to assist with work planning and execution. 	Increasing	Jimmy Cox

Risk 9 – Overlap of System Testing with the Start of User Acceptance Testing (UAT) may result in a delay of UAT and higher defects and issues.	Open	9	 The Project will utilize one or more of the following strategies to manage the risk: 1. Hold daily update meetings (i.e., 15–30-minute stand-ups) to discuss the current progress of Project activities, including any delays. 2. Increase the number of SSI Vendor system testers (e.g., supplement with current production support staff) in order to complete system testing activities quicker. 3. Combine the State and SSI Vendor system testing resources to speed up the system testing timeline, instead of each group testing independently. 4. Monitor progress to determine if other mitigation approaches are needed. 5. Onboard additional state resources to support DW/BI activities. 6. Hold internal working meetings to identify additional dependencies and schedule tasks to assist with work planning and execution. 	Increasing	Jimmy Cox

4 - SPEND PLAN

7 – REMEDIATION PROGRESS OF AGENCY BUSINESS SYSTEMS

Remediation Progress of Agency Business Systems

Provide an update on the remediation progress for each agency business system required for deployment of Florida PALM functionality.

Required for R&C Category

Chapter 2024-228 implementing the 2024-2025 General Appropriations Act, directs agencies to submit bimonthly status reports to the Florida PALM Executive Steering Committee. The agency-specific, bimonthly status reporting tool was released to agencies, through Readiness Workplan Task 569 for the period of November - December 2024, on December 30, 2024, with a due date of January 10, 2025, for completing the requested information and providing Agency Sponsor confirmation. All agencies submitted their bimonthly status for the period of November to December 2024, as of January 13, 2025. Agency reports and the summary dashboards are published on the Florida PALM website.

Agencies completed (noted with a check mark), continued, or began working on the following readiness tasks included in the Readiness Workplan during January:
