The Rules Committee of the Board of Funeral, Cemetery, and Consumer Services, (the "Board") met via videoconference on Friday, September 25, 2026, and Monday, October 19, 2026, beginning at 10 a.m. Committee members are Andrew Clark (Chair), Sanjena Clay, Chris Jensen, and Darrin Williams.

PURPOSE OF MEETINGS

In addition to reviewing rules impacted by the passage of SB598 – "Funeral, Cemetery, and Consumer Services – 2026" (reported on in separate document), the purpose of the meetings on September 25, 2026, and October 19, 2026, was to conduct the Committee's 2026 Annual Rule Review pursuant to section 120.5435, Florida Statutes.

At the Rules Committee Meeting on August 6, 2026, the Committee voted to review a total of 35 rules (30 Board Rules and 5 Shared Rules) this fiscal year. The initial review of 18 of the rules was completed at the Rules Committee Meeting held on September 25, 2026. The initial review of the remaining 17 of rules was completed during the October 19, 2026, Rules Committee Meeting.

Public comment was received on each rule as the rule was discussed.

This report presents the current version of each of the 35 rules reviewed this year. For each rule, this report provides a table summarizing the results of the Committee's discussion and recommendation as to the specific items required by section 120.5435, Florida Statutes. The report also summarizes the discussions on the rules and the Rule Committee's recommendations on each rule.

RESULTS/RECOMMENDATIONS TO BOARD FROM SEPTEMBER 25, 2026, AND OCTOBER 19, 2026, MEETINGS

Following discussion, the Committee agreed to recommend to the Board the repeal of 6 rules, no changes on 19 rules, and that 10 rules should be opened for development. These recommendations are categorized as follows:

RULES FOR DISCUSSION

BOARD RULES – CHAPTER 69K, F.A.C

69K-7.001 – Care and Maintenance Trust Fund Deposits

(1) The cemetery company is obligated to pay into the Care and Maintenance Trust Fund ten percent (10%) of the purchase price of burial rights as outlined in Section 497.268, F.S.

(2) Ten percent (10%) of the down payment and ten percent (10%) of each payment allocated to burial rights shall be paid to the trust fund until the full obligation is fulfilled.

(3) If the contract does not provide for the allocation of payments as anticipated in subsection (2), above, such payments shall be allocated as follows:

(a) For deferred payment contracts the trust liability as described in subsection (1), shall be divided by the total sales price.

(b) This percentage will then be applied to all payments received including the down payment and the value of credits given to determine the amount to be deposited in the care and maintenance trust fund.

(c) The percentage payments required to be deposited on each payment shall be carried out two places and the amount of deposit required may be rounded off to the nearest dollar as long as the total amount required to be deposited has been fully deposited when the contract has been fully paid.

(4) One hundred percent (100%) of all special endowments must be set aside in special trust account or a savings account in a bank or savings and loan association located within and authorized to do business in this state; or deposited in the care and maintenance trust fund. If a contract provides for a separate amount to be paid for care and maintenance, it shall be considered a special endowment. In such cases, the cemetery company shall pay the required percentage on the sum paid for the right and the amount of the endowment.

(5) If the contract contains terms which require a greater deposit to the care and maintenance trust fund or a more timely deposit, the terms of the contract shall prevail.

69K-7.0012 – Care and Maintenance Trust Fund Withdrawals

(1) Definitions

As used in this rule the following definitions apply:

(a) "Board" refers to the Board of Funeral, Cemetery, and Consumer Services.

(b) "Division" refers to the Division of Funeral, Cemetery, and Consumer Services.

(c) "Care and maintenance trust fund accounting year" refers to the twelve consecutive month period established and used by the Care and Maintenance Trust Fund trustee or servicing agent of the trust fund for trust fund tax and annual reporting purposes.

(d) "Change of distribution method" refers to changing from the net income withdrawal method to the total return withdrawal method, or from the total return withdrawal method to the net income withdrawal method.

(2) Procedure for making withdrawal election.

(a) Regarding the election referenced under Section 497.2675(2), F.S., the initial election and each subsequent change of election shall be made by filing a completed, signed, and dated Election of Care and Maintenance Trust Fund Distribution Method, Form DFS-N1-2177, effective 05/2016 with the Division at least 60 days prior to the effective date specified in the election. This form is incorporated herein by reference, and may be obtained from http://www.flrules.org/Gateway/reference.asp?No=Ref-07502, or from the Board's office or from the Board's website http://www.myfloridacfo.com.

(b) Upon receipt by the Division of a completed, signed, and dated Election of Care and Maintenance Trust Fund Distribution Method, Form DFS-N1-2177, effective 05/2016, the Division shall affix the Division's dated receipt stamp to the form and shall within five business days return a copy of the form as thus stamped to the contact person shown on the form.

(c) The Division shall provide the Board with an informational copy of all election forms filed with the Division.

(3) Calculation of distribution under total return withdrawal method.

(a) The total return withdrawal percentage may be any amount from zero percent up to but not exceeding five percent, as specified on the election filed with the Division.

(b) For purposes of calculating the average fair market value of the trust under Section 497.2675(2)(b), F.S., the fair market value of the trust shall be determined as of January l of each year used in the averaging calculation.

(c) The fair market value of trust assets shall be determined by the trustee or the servicing agent who is not under common control with the cemetery licensee to whom the trust relates. Neither the trustee nor the servicing agent shall rely on asset valuations provided by or on behalf of the cemetery. Provided, a cemetery that is authorized to act as its' own trustee under Section 497.266(2), F.S., may calculate the fair market value of its trust assets and calculate the amount of its total return distribution.

(d) The amount to be distributed under either the net income withdrawal method, or the total return withdrawal method, shall be calculated by the trustee, or the servicing agent who is not under common control with the cemetery licensee, to whom the trust relates. Provided, a cemetery that is authorized to act as its own trustee under Section 497.266(2), F.S., may calculate the fair market value of its trust assets and calculate the amount of its total return distribution.

(e) Application of Sections 497.2675(2)(b) l. and 2., F.S.

1. The phrase "if assets are added" as used in Section 497.2675(2)(b)1., F.S., refers to deposits to trust of the amounts required to be deposited under Section 497.268, F.S., and any extraordinary deposits to trust such as but not limited to deposits to correct deficiencies in prior period deposits.

2. The phrase "if assets are distributed" as used in Section 497.2675(2)(b)2., F.S., refers to extraordinary distributions from the trust pursuant to written consent of the licensing authority under Section 497.266(3), F.S.

3. The application of Sections 497.2675(2)(b)1. and 2., F.S, are illustrated in the examples below.

Example A

Example A ignores growth or reduction in investment values, and distributions from the trust. Assume the trustee or servicing agent wants to determine the average fair market value of the trust for a 2016 distribution under the total return withdrawal method. This computation will involve averaging the trust fair market value as of January 1, 2014, 2015, and 2016. Assume the fair market value of the trust was $100 on 1-1-2014. Assume that cemetery sales of interment spaces resulted in deposits to the Care and Maintenance Trust Fund of $2.00 in 2014 and $2.20 in 2015. The

computation of average fair market value for the 2016 distribution under the total return withdrawal method will be as follows:

Table A1

	2014	2015	2016
Beginning market value Principal addition	$100	$102.00	$104.20
	2.00 + 2.20	2.20	
FMV for averaging purposes	$104.20	$104.20	$104.20

The average fair market value for the 2016 distribution equals $104.20.

Because the $2.00 added in 2014 is not reflected in the 2014 beginning balance, it is added to that balance for purposes of computing average fair market value. Because the $2.20 in deposits occurred during 2015, it is added to both the 2015 balance and the 2014 balance. The deposits in 2014 and 2015 will necessarily be reflected in the opening fair market value in 2016, so they are not separately added in that year.

Assume that cemetery sales of interment spaces resulted in deposits to the Care and Maintenance Trust Fund of $2.15 in 2016. The average trust fair market value calculation for a 2017 distribution under the total return withdrawal method will be as follows:

Table A2

	2015	2016	2017
Beginning market value	$102.00	$104.20	$106.35
Deposits to trust	2.20 + 2.15	2.15	
FMV for averaging purposes	$106.35	$106.35	$106.35

The average fair market value for the 2017 distribution equals $106.35.

Example B

Same facts as in Example A, except that in 2015 the licensing authority approved an extraordinary distribution from the trust in the amount of $5.00. The average trust fair market value calculation for a 2016 distribution under the total return withdrawal method will be as follows:

Table B1

	2014	2015	2016
Beginning market value	$100	$102.00	$99.20
Deposits to trust	2.00 + 2.20	2.20	
Extraordinary distribution	(5.00)	(5.00)	
FMV for averaging purposes	$99.20	$99.20	$99.20

The average fair market value for the 2016 distribution equals $99.20.

Because the $2.00 added in 2014 is not reflected in the 2014 beginning balance, it is added to that balance for purposes of computing average fair market value. Because the $2.20 in deposits occurred during 2015, it is added to the 2015 balance and the 2014 balance. Because the $5.00 extraordinary withdrawal occurred during 2015, it is subtracted from the 2015 balance and the 2014 balance. The deposits in 2014 and 2015, and the withdrawal in 2015, will necessarily be reflected in the opening fair market value in 2016, so they are not separately added or deducted for that year.

The average trust fair market value calculation for a 2017 distribution under the total return withdrawal method will be as follows:

Table B2

	2015	2016	2017
Beginning market value	$102.00	$99.20	$101.35
Deposits to trust	2.20 + 2.15	2.15	
Extraordinary distribution	(5.00)		
FMV for averaging purposes	$101.35	$101.35	$101.35

The average fair market value for the 2017 distribution equals $101.35.

Example C

Same facts as in Example B, except that we assume that the aggregate net effect of rise and fall of investment values resulted in the following actual beginning fair market values: 2015, $103.00; 2016, $110.

Table C1

	2014	2015	2016	Avg FMV
Beginning market value	$100	$103.00	$110	
Deposits to trust	2.00 + 2.20	2.20		
Ordinary distribution	(5.00)	(5.00)		
FMV for averaging purposes	$99.20	$100.20	$110.00	$103.13

The average fair market value for the 2016 distribution equals $103 .13.

Assume the actual fair market value at the beginning of 2017 is $115. The average trust fair market value calculation for a 2017 distribution under the total return withdrawal method will be as follows:

Table C2

	2015	2016	2017	Avg FMV
Beginning market value	$103.00	$110	$115	
Deposits to trust	2.20 + 2.15	2.15		
Extraordinary distribution	(5.00)			
FMV for averaging purposes	$102.35	$112.15	$115	$109.83

The average fair market value for the 2017 distribution equals $109 .83.

(4) For purposes of computing average fair market value of the trust, except for adjustments to comply with Sections 497.2675(2)(b)l. and 2., F.S., the fair market value of trust assets as of each January 1 shall not be adjusted to reflect accrued liabilities or accrued but not yet received deposits.

(5) Application of Prudent Investor Rule.

(a) Pursuant to Sections 497.266(4) and 497.458(5)(a), F.S., trust assets may be invested as prescribed in Section 518.11, F.S., entitled “Investments by Fiduciaries; Prudent Investor Rule.” As regards to care and maintenance trusts and preneed trusts under chapter 497, F.S., investments under Section 518.11, F.S., are subject to the prohibitions set forth in Sections 497.458(l)(h), (i) and 497.458(5)(a), F.S.

(b) For purposes of application of Section 518.11, F.S., the trustee of the Care and Maintenance trust shall consider the primary purpose of the Care and Maintenance Trust Fund to be providing for the future care and maintenance of the cemetery, as defined at Section 497.005(11), F.S., after the cemetery ceases to produce any revenue stream from which care and maintenance costs may be paid.

(c) Real Estate. The fair market value of real estate as a trust asset shall be determined by a written appraisal obtained by the trustee, issued by a licensed real estate appraiser, which appraisal was made within twelve months prior to January 1 of the year for which the distribution under the total return withdrawal method is being calculated. For example, if an average trust fair market value is being calculated for a distribution in 2016 under the total return withdrawal method, the appraisal must have been done in the twelve months prior to January 1, 2016. If such appraisal requirement is not complied with, the real estate shall be assigned zero value as a trust asset in each year included in the average trust fair market value calculations for such distribution.

(6) Monitoring Trust Fair Market Value; action or adverse trends.

(a) The Division shall monitor the fair market value of care and maintenance trust funds as reported by trustees in annual trust reports. If the Division detects that the ending fair market value of the trust for the most recent calendar year has decreased as compared to the

average ending balance of the trust for over the three most recent calendar years, the Division shall set the matter for review and action by the Board at a regularly scheduled meeting of the Board, and shall provide the licensee with 30 days advance notice that the matter will be set before the Board. The Board shall thereupon review the matter and for the protection of the care and maintenance trust fund may order any one or a combination of the following corrective measures as the Board finds appropriate for the protection of the care and maintenance trust fund:

1. A specified reduction in dollars in allowable withdrawals from the trust for a specified period,

2. A reduction in the total return withdrawal percentage for a specified period,

3. A requirement that the licensee switch to and use the net income withdrawal method for a specified period.

(b) Exceptions. The Board may in particular cases temporarily except a licensee that comes before the Board under paragraph (a), above, from imposition of corrective measures, if the Board finds that the cause of the adverse trend in the fair market value of the trust is due to one or more unusual temporary factors affecting all or a majority of the licensed cemeteries in the state or in a particular area of the state, and that for the protection of such cemeteries from insolvency the exception is necessary and appropriate.

(7) Miscellaneous provisions.

(a) All cemetery licensees shall continue to use the net income withdrawal method under Section 497.2675, F.S., on and after 7-1-2016, until the effective date of an election filed by the licensee to use the total return withdrawal method, which initial election shall be made by the licensee in accordance with this rule. Each subsequent change of election shall be made by filing a separate additional completed, signed, and dated Form DFS-N1-2177 in accordance with this rule.

(b) The effective date of an initial election and any subsequent change in election shall coincide with the first day of a care and maintenance trust fund accounting year to which the election relates. All elections shall be prospective only; no retroactive elections shall be allowed.

(c) If a cemetery has more than one Care and Maintenance Trust Fund under Section 497.266, F.S., a separate election shall be made and filed for each trust fund.

(d) Form DFS-N1-2177 must be signed by an authorized representative of the licensee.

(e) No Election of Care and Maintenance Trust Fund Distribution Method, Form DFS-NI-2177, effective 05/2016, shall be filed unless the cemetery licensee has been advised by the Care and Maintenance Trust Fund trustee or servicing agent that the trustee or servicing agent will be able to implement the change of distribution method indicated in the form to be filed.

(f) No trustee or servicing agent shall implement a change in distribution method unless the trustee or servicing agent has in its possession a copy of Form DFS-N1-2177 regarding the change of distribution method, which copy bears the Division's receipt stamp.

(g) A trustee shall not make a distribution under the total return withdrawal method unless the trustee or servicing agent determines it has reliable records establishing all fair market values needed to calculate average fair market value of the trust in prior periods included in the averaging calculation.

(8) Annual Report of Trustee.

(a) Any entity which for all or any part of a calendar year served as trustee of a Care and Maintenance Trust Fund under Section 497.266, F.S., shall by not later than April 1 of the following year file a Care and Maintenance Trust Fund, Annual Trustee Report (Revised), Form DFS-N1-2178, effective 05/2016, for all or that portion of the said calendar year in which it acted as trustee of the trust. This form is incorporated herein by reference, and may be obtained from http://www.flrules.org/Gateway/reference.asp?No=Ref-07503, or from the Board's website, http://www.myfloridacfo.com.

(b) No distribution to a cemetery licensee from the licensee's Care and Maintenance Trust Fund shall be made or allowed in any period during which the Care and Maintenance Trust Fund is delinquent in filing required reports under Section 497.269, F.S., and this rule.

69K-7.007 - Merchandise Trust Funds - Status of Accounts

(1) For purposes of merchandise trust funds, under the provisions of the Funeral, Cemetery, and Consumer Services Act prior to implementation of Chapter 93-399, Laws of Florida, a merchandise trust fund is in the nature of a master account ("the Fund") used for investment purposes and is made up of commingled individual accounts deposited into the Fund in connection with the individual contracts between the cemetery company and its customers. Each of these accounts is to be established and retained in the Fund together with any income it might earn until certain events shall occur and it is determined to whom the principal of the account plus any earnings should be

distributed. The principal of the account plus any earnings may be paid to the cemetery company upon the delivery of the merchandise or performance of the services or to the purchaser or his legal representative in the event that the cemetery company does not deliver the merchandise or perform the services when needed.

(2) The principal and any accrued earnings or losses in such separate account is to be held in suspense until the final determination is made to which party the account will be paid. At the time of withdrawal of the amount in the account, either the seller, cemetery company, or the purchaser or his representative is entitled to not only the principal amount deposited in the account, but also any accrued earnings on the account from the time of the deposit until the time of withdrawal.

IT SAYS YOU CAN'T COMMIT FRAUD, AND OUR LAW IS ALREADY VERY CLEAR ON HOW YOU WITHDRAW INCOME AND THAT IT IS VERY CLEARLY ESTABLISHED IN BOTH 497.458 AND 497.464. PROPOSES REPEAL - IT REITERATES THE LAW IN THE FIRST SENTENCE, AND THEN THE SECOND SENTENCE IS NOT SUPPORTED BY STATUTORY AUTHORITY.

69K-7.016 - Duties and Powers of Trustee; Authorized Investments

(1) Each trustee serving pursuant to a trust agreement approved by the Board shall be responsible for the administration of the trust and the investment of its assets in a manner consistent with Chapter 497, F.S.

(2) The duties and responsibilities of the trustee shall not be shared with the preneed licensee that established the trust or discharged to any third party associated with investment decisions. An advisor to the trustee may be appointed by the preneed licensee, however the recommendations of such advisor shall not be binding on the trustee and the trustee's liability shall not be diminished or abrogated in any way as a result of following the advice of the advisor.

(3) The preneed licensee or the advisor appointed by the preneed licensee is authorized to request the trustee to invest trust assets in whole or in part, in tax-free investments. An investment advisor is authorized to make non-binding recommendations to the trustee concerning specific investments.

(4) The trustee shall have the powers set forth in Part VIII of Chapter 736, F.S., to the extent they are not inconsistent or do not conflict with Chapter 497, F.S.

(5) The trustee shall have the power to invest the trust assets in those investments set forth in Section 215.47, F.S., however, there shall be no limitation on the portion of the trust assets that are allocated to tax-free investments pursuant to a request as stated in subsection (3) of this rule.

69K-7.017 -Trust Fund Deposits; Funeral and Burial Services and Merchandise Preneed Contract Payments

(1) All payments paid toward any preneed funeral or burial service or merchandise contract shall be trusted pursuant to Section 497.458 or 497.464, F.S., unless such merchandise or service is sold by a cemetery company and such merchandise is delivered or such service performed within 120 days after receipt of the final payment in accordance with Section 497.283, F.S. This section shall not apply to preneed contracts sold pursuant to Section 497.462, F.S.

(2) If the contract payments are made in deferred installments for merchandise and services which are not intended to be delivered as provided in subsection (1), above, then the funds paid on each installment shall be allocated in the manner set forth in the contract.

(3) If the contract does not provide for the allocation of payments as anticipated in subsection (2), above, such payments shall be allocated as follows:

(a) Funds collected for preneed services or merchandise contracts which comply with Section 497.458, F.S., shall be deposited in trust as follows: 70 percent of funds collected for services; 100 percent of funds collected for cash advance items; and 30 percent of funds collected or 110 percent of wholesale cost, whichever is greater, for merchandise. For deferred payment contracts the liability for each portion of the contract (services, cash advances and merchandise) shall be divided by the deferred payment price to arrive at the percentages for each portion of the contract. These percentages shall be applied to payments received to determine the amount to be deposited in trust. Once the total liability to the trust is fulfilled, no further deposits need be made to the trust.

(b) Funds collected for preneed services or merchandise contracts which comply with Section 497.464, F.S., shall not require allocation. The contract purchaser must make all payments to the Trustee or its servicing agent. The preneed licensee (seller) may receive a

distribution of 10% of funds collected by the Trustee. Once the total liability to the trust is fulfilled, no further deposits need be made to the trust.

(4) In the event that funds deposited into trust exceed the amount required by the contract or these rules, the preneed licensee may withdraw the excess funds upon establishing that the total liability to the fund will equal the total corpus on deposit and the funds on deposit can be allocated and balanced on a contract-by-contract basis.

(5) Monthly reports shall be maintained showing the monies received and monies trusted on a contract-by-contract basis. The report shall also reflect the total monies received and trusted and that such trust deposits reconcile with the total monthly contract obligations.

(6) Documentation shall be maintained and be readily retrievable which shall show the calculation of trust liability and the percentage of payments made into the appropriate trust fund.

69K-7.020 -Treatment of Trusts Under Chapters 497 and 639, F.S.

(1) An "old Chapter 497, F.S., merchandise trust" is defined as a trust created and approved on or before September 30, 1993, pursuant to Chapter 72-78, Laws of Florida, or as thereafter amended, for the deposit of proceeds from preneed contracts for burial services or related merchandise.

(2) A "new Chapter 497, F.S., preneed trust" is defined as a trust created and approved on or after October 1, 1993, pursuant to Chapter 93-399, Laws of Florida, or as thereafter amended, for the deposit of proceeds from preneed contracts for funeral services, burial services, or related merchandise.

(3) A "Chapter 639, F.S., funeral trust" is defined as a trust created and approved on or before September 30, 1993, pursuant to Chapter 77-438, Laws of Florida, or as thereafter amended, for the deposit of proceeds from preneed contracts for funeral services or related merchandise.

(4) The Board shall have jurisdiction over all old Chapter 497, F.S., merchandise trusts, new Chapter 497, F.S., preneed trusts, chapter 639, F.S., funeral trusts, and all other trusts created pursuant to Chapter 497, F.S., in existence on October 1, 1993, or created thereafter.

(5) All Chapter 639, F.S., funeral trusts shall retain the same trustee powers and trust provisions as authorized by Chapter 639, F.S., on September 30, 1993, as to all preneed funeral contracts entered into prior to September 30, 1993, even though said contracts do not pay out until after October 1, 1993.

(6) Each preneed licensee, settlor or trustor may change the trustee of any Chapter 639, F.S., funeral trust as provided in Chapter 497, F.S., (1993). Nevertheless, the trust provisions and trustee powers shall remain as they were in the Chapter 639, F.S., funeral trust agreement and related documents.

(7) A settlor or trustor may transfer assets from one Chapter 639, F.S., funeral trust upon the approval of the Board provided:

(a) The terms of the receiving trust do not violate any terms and conditions of the contracts or rights of the contract purchaser which provide the funds to be transferred;

(b) The preneed licensee or the trustee, as appropriate, acknowledges in writing its responsibilities under the trust and contract documents including its ability to segregate contracts by type to ensure that proper payment is made upon the death of the beneficiary or proper refund is made upon cancellation of a contract; and

(c) The Board determines that such transfer will not impair the rights of the contract purchaser.

(8) No post-October 1, 1993, preneed contract may be trusted under a Chapter 639, F.S., funeral trust. Except as provided in subsection (9) of this rule, preneed contracts dated prior to October 1, 1993, which have not been completely paid by the contract purchaser shall continue to be trusted to the proper Chapter 639, F.S., funeral trust or the appropriate old Chapter 497, F.S., merchandise trust.

(9) A settlor or trustor may submit a new trust agreement for approval by the Board and transfer thereto assets from a Chapter 639, F.S., funeral trust or assets from an old Chapter 497, F.S., merchandise trust so long as all trust provisions and trustee powers are in conformity with Chapter 497, F.S. All such transfers shall be approved by the Board provided that the terms set forth in paragraphs (7)(a) through (c) of this rule are complied with.

(10) In all Chapter 639, F.S., funeral trusts or old chapter 497, F.S., merchandise trusts where compliance with the provisions of Chapters 215 or 497, F.S., would result in a potential financial loss to the trust assets, any such sale or transfer of assets, that would result in the potential loss must be first approved by the Board according to a submitted plan of sale or transfer.

(11) All new Chapter 497, F.S., funeral trust agreements and other trusts created pursuant to Chapter 497, F.S., submitted for approval of the Board must be in conformity with all provisions of Chapter 497, F.S., as now existing or as hereinafter amended.

(12) All cemetery care and maintenance trust fund agreements existing prior to October 1, 1993, shall remain effective, but all of the provisions of Chapter 497, F.S., shall immediately apply to these trust agreements and the trustee powers shall be those provided in Chapter 497, F.S.

(13) All cemetery pre-construction trust fund agreements existing prior to October 1, 1993, shall remain effective but all of the provisions of Chapter 497, F.S., shall immediately apply and the trustee's powers shall be those provided in Chapter 497, F.S., except:

(a) The allocation of investments therein need not be in compliance until September 30, 1995,

(b) The trusting formula on contracts dated prior to October 1, 1993, shall be the formula in effect on September 30, 1993; and

(c) The trusting formula on contracts dated after October 1, 1993, shall be in conformity with Chapter 497, F.S.

(14) If an asset is transferred from one trust to another as provided herein, then the asset in its entirety including any income derived therefrom must be transferred to the successor trust.

THIS RULE DATES BACK TO 1994, AND THINGS ARE QUITE DIFFERENT NOW ON WHAT WE THINK OF AS A SOCIETY AS A REASONABLE TIME SINCE 1994. NOTES THIS WAS ONE OF THE RULES SUSPENDED DURING COVID.

69K-8.004 - Preneed Contracts; Miscellaneous Provisions

(1) Funds received on a preneed contract must be credited to the specific contract and all calculations regarding deposits to trusts or refunds to purchasers must be based on the amount paid by the purchaser or his representative.

(2) An overpayment on a preneed contract shall be refunded to the purchaser by the preneed licensee upon cancellation or fulfillment. With regard to all contracts upon which installment payments are being received on the date this rule becomes effective, any overpayment will be refunded following the receipt or the last installment payment, so long as the overpayment is $5 or greater.

(3) Misapplied or unidentified preneed funds shall be transferred to the correct preneed account immediately upon discovery, and shall be considered deposited timely if the funds were deposited in the trust in accordance with sections 497.458 and 497.464, F.S.

(4) Preneed accounts which are under or over trusted due to computer or manual miscalculations must be corrected immediately upon discovery, on a contract per contract basis.

(5) An executed preneed contract may be amended if the contract change does not affect the description or sales price of merchandise, or the sales price of services or cash advances, as reflected on the originally executed contract. All contract changes must be initialed and dated by the contract purchaser. The contract must be clearly legible before and after any amendments. A contract amendment can be in the form of an addendum to the contract provided the addendum is signed by the purchaser and preneed licensee or cemetery company and is attached to the original contract. If a contract is rewritten, funds credited to the original contract shall be transferred to the rewritten preneed contract within 30 days, but if the rewritten contract is canceled within thirty days, the old contract is reinstated and all funds paid by the purchaser on the new contract shall be returned to the purchaser.

(ACTUAL LANGUAGE CHANGE CAN BE DEVELOPED/PROPOSED AT A LATER DATE) SOME DISCUSSION OF CONSUMER CONCERNS AND IF RULE SHOULD BE OPEN FOR DEVELOPMENT/CLARIFICATION. WENDY WIENER: THIS RULE IS NECESSARY. THE RULE IS QUITE ROBUST IN ITS REQUIREMENTS THAT THE SELLER OF PRENEED, THE FUNERAL HOME, DISCLOSE THAT THE PRENEED CONTRACT WILL BE FUNDED BY A LIFE INSURANCE POLICY. THAT'S WHAT ALL OF THOSE REQUIREMENTS ARE ABOUT IN SUBSECTION (4). THEY'VE GOT TO DISCLOSE THAT NO MONEY IS GOING INTO TRUST. THEY'VE GOT TO DISCLOSE THAT A LIFE INSURANCE POLICY HAS BEEN PURCHASED TO FUND THE MONIES NEEDED AND THE PURCHASE PRICE WILL BE USED TO FUND AT THE TIME OF DEATH. THERE ARE A LOT OF ROBUST REQUIREMENTS.

69K-12.001 - Installation of Monuments*

(1) A cemetery shall require that any person engaged in the retail sale of monuments or monument services who wishes to install, place, set, or inscribe a monument shall provide the cemetery with proof that the person has a valid license with the Department. If a cemetery wishes to require proof that a monument dealer or builder has obtained all necessary local or occupational licenses, then the cemetery shall require such an affirmative representation in the application between the cemetery and the monument dealer or builder.

(2) Pursuant to section 497.273(3), F.S., a cemetery may adopt bylaws setting forth minimum standards for monuments installed in the cemetery which can include the style and size of a monument or its foundation, the content and material of which the monument and/or foundation is to be constructed, the locations or gardens in which different monuments may be installed, the manner of installation of either a flat or upright monument, the specific location on the grave for the installation of either flat or upright monuments, the requirements for the removal and replacement of monuments in the path that any installation equipment must take to install a specific monument, and the clean-up necessary after installation. In all cases, the cemetery must comply with its own minimum standards. Nothing in this rule shall be construed to allow a cemetery to have exclusive rights to monument construction or installation within the cemetery or any part of the cemetery, except for inscriptions in community mausoleums.

(3) Pursuant to sections 497.273(3) and 497.555, F.S., all cemeteries shall permit during normal business hours licensed monument establishments to install, inscribe or repair a monument, marker or private mausoleum. Cemeteries may adopt bylaws to establish minimum standards for access. These minimum standards shall not unreasonably restrict access to the cemetery grounds, the method of transporting burial merchandise to the burial space, or increase the cost to the owner of interment or burial rights. In all cases, monument establishments and cemeteries shall comply with these minimum standards.

(4) As the cemetery is the only entity holding the records of the ownership of the burial (interment) rights it may require that a person prior to delivering a monument for installation in the cemetery shall submit an application to the cemetery showing the foundation, design, style, size and material of the monument to be installed. If required by the cemetery, the application shall include a scaled sketch of the monument showing the lettering, the family name, the location of the first names of the deceased and/or others, dates and any other items planned to be a part of the monument. If the application does not meet the minimum standards for burial merchandise and installation thereof, the cemetery shall contact the monument establishment within five (5) working days with a written notice of non-compliance. If the cemetery does not do so, the application will be deemed to be approved. The cemetery shall require the written approval of the owner(s) of the burial (interment) rights and legally authorized person which shall be on the application form submitted by the monument establishment prior to scheduling installation.

(5) The cemetery is the scheduling agent for all activities conducted within the cemetery. The scheduling of burials takes priority over all other activities. The cemetery shall schedule the installation of a monument within two (2) working days of the date requested by the installing person

provided all the proper authorizations and other requirements have been delivered to and approved by the cemetery. The time of installation must be set so that the installation and the clean up can be accomplished prior to the normal closing time of the cemetery. The foregoing shall be subject to change by the cemetery in the event it received notification of a death of an owner of burial rights located in such a location that the installation of the monument would interfere with the burial.

(6) In the event a burial is taking place and in the determination of the cemetery the installation of a monument will be considered an interference with the burial, the installing persons shall be required by the cemetery to withdraw until the funeral being conducted has concluded and those in attendance have left the cemetery at which time the installation of the monument may be continued.

(7) Prior to the initiation of the monument installation the cemetery shall mark the place on the grave where the monument is to be installed by placing a flag, or other marker, thereon. Nothing in this rule is intended to imply or require that a cemetery shall have to lay out or engineer a grave site for the installation of a monument. If the cemetery is requested by the monument installer to engineer the grave site, the fee for such service shall be disclosed on the cemetery's price list.

(8) After installation, the cemetery shall inspect the installation. If the installation is improper and not in compliance with the cemetery's minimum standards, the installing person shall be notified in writing postmarked within five (5) working days after installation of the manner in which the installation is not in compliance and the installing person shall have 15 days from the date of notification, in which to make the correction. In the event that the correction is not made within the said 15 days, the cemetery has the right to correct the installation and charge the installing person a reasonable charge for making the correction. A monument establishment shall be responsible for the reasonable cost of repairs needed to repair damages to property in the cemetery caused by the monument establishment's operations in the cemetery.

(9) The cemetery shall not be liable for improper installation of monuments not installed by the cemetery.

(10) Nothing in this rule shall be construed as requiring a cemetery to replace stolen monuments or portions thereof, or to replace or repair monuments that are damaged due to vandalism or other causes beyond the cemetery's control.

(11) A cemetery shall not require any person or firm that installs, places, or sets a monument to obtain any form of insurance, bond, or surety or make any form of pledge, deposit, or monetary guarantee as a condition for entry on or access to cemetery property.

(12) In the event that the cemetery has approved a monument sketch or made written representations to the monument establishment which is not according to the records of the cemetery, the cemetery shall be solely responsible to correct or replace the monument.
